MEMORANDUM

TO: Members of the Public

FROM: Alex J. Adams, PharmD, MPH

SUBJECT: Update on Progress of Regulatory Reform Efforts

In 2019, Governor Little entrusted the Division of Financial Management (DFM) to oversee the implementation of the Red Tape Reduction Act. This effort was later broadened to Zero-Based Regulation, under which agencies must periodically review their regulations and justify them as necessary.

Combined, Idaho’s zero-based regulation model has led to the elimination of 2,700 pages of regulations since 2019 (Figure 1) while reducing actual regulatory burden. Idaho also became the least regulated state in the nation using national measures of regulatory restrictions.

PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **19-1** refers to the first Bulletin issued in calendar year **2019**; Bulletin **20-1** refers to the first Bulletin issued in calendar year **2020**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **19-1** refers to January 2019; Volume No. **20-2** refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume **19-1**. The December 2019 Bulletin is cited as Volume **19-12**.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”

“**02.**” refers to Subsection 200.02.

“**c.**” refers to Subsection 200.02.c.

“**ii.**” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1901”

“**38-**” denotes the agency’s **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (**TITLE 05**), Rules of the Division of Purchasing (**Chapter 01**).

“**1901**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2019**. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as “**1902**”. The docket number in this scenario would be 38-0501-**1902**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

THE OFFICE OF THE GOVERNOR

**EXECUTIVE DEPARTMENT
STATE OF IDAHO
BOISE**

EXECUTIVE ORDER NO. 2024-01

CONTINUING THE IDAHO BEHAVIORAL HEALTH COUNCIL

WHEREAS, on February 19, 2020, the Idaho Supreme Court and leaders from the Legislative Branch joined me as I signed an executive order creating the Idaho Behavioral Health Council ("Council"). The Council was to be a collaborative effort with all three branches working to address the behavioral health needs of Idahoans. In support of this three-branch effort and the Council's creation, the Idaho Supreme Court issued a proclamation and the Sixty-fifth Idaho Legislature adopted Senate Concurrent Resolution 126 (2020); and

WHEREAS, all three branches of state government recognized at that time the tremendous social and economic value would inure to the people of Idaho with the strategic development of a more effective behavioral health system that was devised, implemented, and sustained statewide; and

WHEREAS, all three branches of state government further recognized that that the separate branches of Idaho government, local governments, and community partners play an integral role together in ensuring a reliable and productive behavioral health system for the people of Idaho; and

WHEREAS, in nearly four (4) years of existence, the Council has recommended numerous policy accomplishments that have been successfully enacted, adopted, and funded, including, but not limited to:

- 1. Strengthening the state's crisis response system by establishing the 988 statewide crisis and suicide hotline and funding four (4) youth crisis centers across the state.*
- 2. Supporting and facilitating partnerships to stand up five (5) Certified Community Behavioral Health Centers based on the successful nationwide model to provide comprehensive behavioral health care.*
- 3. Sponsoring Sequential Intercept Model (SIM) workshops in each of the seven (7) judicial districts, empowering local stakeholders to implement action plans to improve local access to behavioral health resources, such as connecting additional services to individuals leaving jail or the crisis center.*
- 4. Developing a Behavioral Health Workforce Plan, resulting in the Recovery Coach Academy, the Behavioral Health Center of Excellence, and other initiatives to expand the number and quality of credentialed behavioral health care workers.*
- 5. Opening Safe Teen Assessment Centers, including in rural areas, to provide a resource for law enforcement, schools, and families to prevent and divert youth from entering the juvenile justice or child welfare systems.*
- 6. Providing funding to stand up three Psychiatric Residential Treatment Facilities (PRTF) in Idaho to bring home over one hundred (100) children/youth being cared for in other states.*
- 7. Improving the civil commitment process by passing Senate Bill 1327 (2022) and drafting further revisions to be proposed in future legislative sessions; and*

WHEREAS, in 2021, recognizing the success of the Council in recommending the statewide strategic plan, Idaho Code § 57-825 was enacted empowering the Council to make recommendations to the Governor and the Legislature on how moneys deposited in the State-Directed Opioid Settlement Fund should be used; and

WHEREAS, Idaho has demonstrated a commitment to improving the behavioral health system and has previously made considerable improvements to the system; and

WHEREAS, notwithstanding these significant improvements and investments—particularly over the last four (4) years—it is in the best interest of all Idahoans that the Council be reauthorized so that it can lead and coordinate across all branches and levels of government, and make recommendations to policymakers for the continued improvement of the state's behavioral health system;

NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me under the Constitution and the laws of the State of Idaho, do hereby order that Executive Order 2020- 04-A is repealed and replaced by this order, and in so doing do also order that:

1. *The Idaho Behavioral Health Council is authorized to continue as provided in this order.*

EXECUTIVE ORDER NO. 2024-04

OPERATION ESTO PERPETUA

WHEREAS, in my 2022 State of the State Address, I announced Operation Esto Perpetua to bring together law enforcement, lawmakers, local government, tribes, families, and the public in new ways with the goal to reduce the flow of fentanyl and methamphetamine into the State of Idaho; and

WHEREAS, from the early work of Operation Esto Perpetua came the highly successful Fentanyl Takes All campaign, which metrics show had a demonstrable impact on how young people and parents view and respond to the threat of fentanyl; and

WHEREAS, from the missions to the Texas border, troopers honed their skills at drug interdiction, which they have returned and implemented in Idaho; and

WHEREAS, the crisis at the border has only worsened since 2022. The surge in overdose deaths in Idaho is directly related to the proliferation of illegal fentanyl which in nearly every circumstance originates outside of this country and comes to Idaho through the open border or through another weak point in this nation's defenses; and

WHEREAS, a parallel problem to drug smuggling is human trafficking where vulnerable people are exploited or smuggled by bad actors to gain illegal entry into the United States or otherwise appropriated/or illegal or immoral ends; and

WHEREAS, I announced in my State of the State Address this year that Operation Esto Perpetua would continue with an expanded mission to address both drugs and human trafficking.

NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution and laws of this state do hereby order that:

- 1. Operation Esto Perpetua is authorized to continue as outlined in this order.*
- 2. The objective of Operation Esto Perpetua will be two-fold: to combat the flow of illegal drugs into Idaho and to combat the scourge of human trafficking in all its forms, including sex trafficking, labor trafficking, human smuggling, and all other appropriation of vulnerable children and adults.*
- 3. A Citizens Action Group is hereby created and will be comprised as follows:*
 - a. Appointed by the Governor:*
 - i. A representative from an Idaho Indian tribe;*
 - ii. A mayor of a city;*
 - iii. A county commissioner;*
 - iv. A member of the Idaho House of Representatives;*
 - v. A member of the Idaho Senate; and*
 - vi. Any additional public members that the Governor sees fit to appoint.*
 - b. Ex-officio members:*
 - i. The Lieutenant Governor;*
 - ii. The Director of the Idaho State Police; and*
 - iii. The Administrator of the Office of Drug Policy.*
- 4. The Citizens Action Group will gather information about the severity of the threat of drug proliferation and human trafficking in Idaho, as well as ideas to combat it and the needed tools to respond. The*

Citizens Action Group will hear from Idahoans about their personal experiences with the effects of drugs on Idahoans and Idaho communities, where human trafficking issues exist in Idaho, and how to treat victims of human trafficking and connect them with services to break the cycle of exploitation.

5. *The Citizens Action Group will report to the Governor its findings. That report will be delivered to the Governor and reviewed with advisors drawn from Idaho law enforcement and service providers to make policy recommendations.*

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho at the Capitol in Boise on this 14th day of February, in the year of our Lord two thousand and twenty-four, and of the Independence of the United States of America the two hundred forty-eighth, and of the Statehood of Idaho the one hundred thirty-fourth.

IDAPA 02 – DEPARTMENT OF AGRICULTURE

02.03.03 – RULES GOVERNING PESTICIDE AND CHEMIGATION USE AND APPLICATION

DOCKET NO. 02-0303-2401

NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is April 22, 2024.

EXPIRATION DATE: In accordance with Section 67-5226(5), Idaho Code, these temporary rules will expire on their own terms July 1, 2024.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 22-3421, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This rule is being presented to be in compliance with H.549, which was passed by the Idaho Legislature in the 2023 session and signed into law by the Governor on March 18, 2024. The legislation amended how licenses for chemigation applicators are categorized by separating those licenses from the federal FIFRA categories. This rule establishes a simplified process for the acquiring and maintenance of those licenses.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(b) and (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

H.549 included an emergency clause, meaning the changes went into effect immediately with the Governor's signature. A temporary rule is necessary to ensure that the rule is in compliance with the amended statute as the department begins issuing licenses for the 2024 season.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

There are no changes to fees in the rule, except for breaking the chemigation license fees out from the other license categories. The amended statute does not identify changes in fees.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Lloyd B. Knight, Deputy Director, at (208)332-8615.

11.04.01 – RULES GOVERNING THE IDAHO STATE RACING COMMISSION

DOCKET NO. 11-0401-2401 (NEW CHAPTER, FEE RULE)

NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is April 24, 2024.

EXPIRATION DATE: The expiration date of this temporary rule is July 1, 2024.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Sections 54-2506, 54-2507, 54-2508, 54-2509, 54-2512, 54-2513, and 54-2514, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

During the 2024 Legislative Session, the Idaho Legislature passed [House Concurrent Resolution 52](#), which approved the changes submitted by the Racing Commission under docket 11-0401-2301. However, these rules existed only as temporary and thus expired upon sine die. [House Bill 767](#), which makes all approved rules effective July 1, was also passed and signed into law during session. These temporary rules codify the changes done as part of the negotiated rulemaking process and as approved by the Legislature until the final rules can take effect on July 1, 2024.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This temporary rule is necessary to ensure the continued operation of the Idaho State Racing Commission and the Idaho businesses they support. It will protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. Further, the Governor has found the fees or charges being imposed or increased are justified and necessary to avoid immediate danger to the Commission’s budget, to the state budget, to necessary state functions and services, and to avoid immediate danger of a potential violation of Idaho’s constitutional requirement that it balance its budget.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee(s) or charge(s) being imposed or increased is justified and necessary to avoid immediate danger and the fee(s) is described herein:

The fees or charges, authorized in Sections 54-2506, 54-2508, 54-2512, and 54-2515, Idaho Code, are part of the agency’s 2025 budget that relies upon the existence of these fees or charges to meet the state’s obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho’s constitutional requirement that it balance its budget.

This rulemaking does not impose a new fee or charge, or increase an existing fee or charge, beyond what has been previously submitted to the Idaho Legislature for review.

At the close of each day's racing, they must file a written report of the time, including the fractional time, of each race of the day with the Racing Secretary. (4-24-24)T

02. Recorded Time. The time recorded for the first horse to cross the finish line is the official time of the race. If a horse establishes a track record and it is later determined there is a presence of a drug, such track record is null and void. (4-24-24)T

03. Electronic Timing. Electronic timing devices must be approved by the Racing Commission. (4-24-24)T

666. PLACING ERRORS.

680. RACE OFF.

If a stake race is declared off, all nominations and fees and accrued interest paid in connection with that race must be refunded. Incurred administration expense may be deducted, subject to review by the Racing Commission. (4-24-24)T

01. Trial. Except in cases where the starting gate physically restricts the number of horses starting, each trial must consist of no more than ten (10) horses. (4-24-24)T

02. Less Than Ten Stalls. If the Racing Association's starting gate has less than ten (10) stalls, then the

maximum number of qualifiers will correspond to the maximum number of starting gate positions. (4-24-24)T

03. **Finals Only.** The Racing Association may choose to run a finals only if the number of horses eligible is less than the available stalls in the starting gate. (4-24-24)T

682. TRIALS RACED UNDER SAME CONDITIONS.

01. **Same Conditions.** The trials must be raced under the same conditions as the finals and the number of qualifiers for the finals must correspond to the number of stalls in the starting gate for the finals. (4-24-24)T

02. **Conducted On Same Day.** If the trials are conducted on the same day, the number of horses corresponding to the stalls available in the starting gate per the conditions of the race will qualify to participate in the finals. (4-24-24)T

03. **Conducted On Two Days.** If the trials are conducted on two (2) days, one-half (1/2) of the horses that qualify for the finals must come from the first day of trials and one-half (1/2) of the horses that qualify for the finals must come from the second day of trials. (4-24-24)T

04. **More Than One Entry.** When trials are conducted on two (2) days, the Racing Secretary must split owners with more than one (1) entry into separate days. (4-24-24)T

683. QUALIFICATION BASED ON TIME.

01. **Qualifying.** In the time trials, horses qualify on the basis of time and order of finish. The times of the horses in the time trial will be determined to the limit of the timer. (4-24-24)T

02. **Same Trial Heat.** The only exception is when two (2) or more horses have the same time in the same trial heat. Then the order of finish also determines the preference in qualifying for the finals. (4-24-24)T

03. **Different Trial Heats.** Should two (2) or more horses in different time trials have the same qualifying time to the limit of the timer for the final qualifying position(s), then a draw by public lot will be conducted as directed by the Stewards. (4-24-24)T

04. **Not Determined Beyond the Limit of the Timer.** Qualifying times in separate trials will not be determined beyond the limit of the timer by comparing or enlarging photo-finish images, or both. (4-24-24)T

05. **Adjustments.** No adjustments will be made in the times recorded in the time trials to account for head-wind, tail-wind, off-track, etc. (4-24-24)T

684. DISQUALIFICATION.

01. **Disqualification.** Except in the case of disqualification, under no circumstances will a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish in a time trial. (4-24-24)T

02. **Interference.** Should a horse be disqualified for interference during the running of a time trial, it will receive the time of the horse it is immediately placed behind plus one hundredth (.01) of a second, or the maximum accuracy of the electronic timing device. (4-24-24)T

03. **No Time.** If a horse is disqualified for interference with another horse causing loss of rider or the horse not to finish the race, the disqualified horse will be given no time plus one hundredth (.01) of a second, or the maximum accuracy of the electronic timing device. (4-24-24)T

685. TIMER MALFUNCTION IN A TIME TRIAL.

01. **Electronic Time Malfunction.** Should a malfunction occur with electronic timer on any time trial, finalists from that time trial will then be determined by official hand times operated by three (3) official and disinterested persons. (4-24-24)T

02. Average of Times. The average of the three (3) hand times will be utilized for the winning time, unless one (1) of the hand times is clearly incorrect. In such cases, the average of the two (2) accurate hand times will be utilized for the winning time. Other horses will be given times according to the order and margins of finish with the aid of the photo-finish, if available. (4-24-24)T

03. Malfunction in Some Trials Only. When there is a malfunction of the timer in some time trials, but the timer operates correctly in other time trials, the accurate electronic times will not be discarded, nor will the average of the hand times be used for all time trials. (4-24-24)T

04. Accuracy Questioned. If the accuracy of the electronic timer or the average of the hand times, or both, are questioned, the video of a time trial may be used by the Board of Stewards to estimate the winning time by counting the number of video frames in the race from the moment the starting gate stall doors are fully open parallel to the racing track. (4-24-24)T

05. Based on Video. When the timer malfunctions and there are no hand times, the Board of Stewards may select qualifiers based on the video. (4-24-24)T

686. QUALIFICATION BASED ON ORDER OF FINISH.

01. Order of Finish. Qualification for finals may be based upon order of finish in the trials as opposed to time. (4-24-24)T

02. Top Finishers. The top finishers in each trial heat will qualify in equal numbers from each heat with the total number of qualifiers limited to the maximum number of starting gate positions. (4-24-24)T

03. Equal Number of Qualifiers. In the event an equal number of qualifiers from each trial heat will not be sufficient to fill all starting gate positions, the remaining positions will be filled by lot between the horses in each trial heat that finished directly behind those that qualified. (4-24-24)T

687. STARTING GATE MALFUNCTION.

01. Malfunction. Should there be a malfunction of the starting gate, and one (1) or more stall doors do not open or open after the exact moment when the starter dispatches the field, the Board of Stewards may declare the horses with malfunctioning stall doors non-starters and the starting and entry fees refunded, or may allow any horse whose stall door opened late, but still ran a time fast enough to qualify to be declared a starter for qualifying purposes. (4-24-24)T

02. Breaks Through Gate. If a horse breaks through the stall door, or the stall door opens prior to the exact moment the starter dispatched the field, the horse must be declared a non-starter and the starting and entry fees refunded. If the field has not been dispatched, the horse may be allowed to start at the discretion of the Stewards. (4-24-24)T

03. Considered Starters. If one (1) or more, but not all, stall doors open at the exact moment the starter purposely dispatches the field, all horses should be considered starters for qualifying purposes and placed according to their electronic time. (4-24-24)T

688. SCRATCHED FROM TRIALS.

If a horse should be scratched from the trials, the horse's owner is not eligible for a refund of the fees paid and is not allowed to enter the final. (4-24-24)T

689. SCRATCHED FROM FINALS.

If a horse that qualified for the final should be unable to enter due to racing soundness, or scratched for any reason other than a positive drug test or a rule violation, the horse is deemed to have earned and the owner will receive, last place purse money. If more than one (1) horse is scratched from the final, then those purse monies will be added together and divided equally among those owners. (4-24-24)T

690. QUALIFIER INELIGIBLE.

01. Prior to Entry. If a qualifier for a final or consolation is disqualified for ineligibility or a rule violation after the trials are declared official, but prior to entry for the final or consolation, the next eligible horse to qualify will replace the disqualified horse. (4-24-24)T

02. After Entry. If a qualifier is disqualified after entry for the final or consolation for ineligibility or a rule violation in the trials, the purse will be redistributed, and the next eligible horse to qualify will receive last place purse money. (4-24-24)T

691. ALSO ELIGIBLE.

01. Also Eligibles. There will be no more than four (4) also eligibles selected when one (1) division of a stake is to be run. Horses cannot be advanced after the regular advertised scratch time. (4-24-24)T

02. No Also Eligible List. When two (2) or more divisions of the same stake are to be run, there will be no “also eligible list” in any of the two (2) or more divisions and if a horse should scratch, the owner will receive last place purse money in that particular division for which the horse qualified. (4-24-24)T

03. More Than One Scratch. If more than one (1) horse should scratch out of the same division, than those monies will be added together and divided equally among those scratching out of that division. (4-24-24)T

02. Distribution. The net Win Three (3) pool must be distributed to winning wagers in the following precedence, based upon the official order of finish: (4-24-24)T

a. As a single price pool to those whose selection finished first in each of the three (3) contests; but if there are no such wagers, then; (4-24-24)T

b. As a single price pool to those who selected the first-place finisher in any two (2) of the three (3) contests; but if there are no such wagers, then; (4-24-24)T

c. As a single price pool to those who selected the first-place finisher in any one (1) of the three (3) contests; but if there are no such wagers, then; (4-24-24)T

d. The entire pool must be refunded on Win Three (3) wagers for those contests. (4-24-24)T

03. Dead Heat. If there is a dead heat for first in any of the three (3) contests involving: (4-24-24)T

a. Contestants representing the same betting interest, the Win Three (3) pool is distributed as if no dead heat occurred. (4-24-24)T

b. Contestants representing two (2) or more betting interests, the Win Three (3) pool is distributed as a single price pool and is distributed as follows: (4-24-24)T

i. As a profit split to those whose selections finished first in each of the three (3) contests; but if there are no such wagers, then; (4-24-24)T

ii. As a single price pools to those who selected the first place finisher in any two (2) of the three (3) contests; but if there are no such wagers, then; (4-24-24)T

iv. The entire Win Three pool is refunded. (4-24-24)T

04. Substitution of a Scratch. Should a betting interest be scratched from a leg of the Win Three (3) all bets with the scratched betting interest will be handled as follows: (4-24-24)T

a. If the scratch (that herein after includes being declared a non-starter or a non-betting starter) was made prior to the start of the first leg, all bets containing such scratched betting interest must be refunded to determine the gross pool an removed from further consideration in the pool; (4-24-24)T

b. If the scratch was made in the second leg after the start of the first leg, a consolation payoff will be computed for those bets combining the winners of the first and third legs with the scratched betting interest as follows: (4-24-24)T

i. The statutory take-out is deducted from the gross pool and then the amount represented by the bets on combinations involving betting interests scratched from the third leg (reduced by the take-out thereon). (4-24-24)T

ii. The resulting remainder is divided by the amounts bet on the combination of such first and third leg winners with all betting interests (less breaks) to determine the consolation price per dollar payable to those bets combining winners of the first and third legs with the betting interest scratched in the second leg. The break may not be deducted from the pool. (4-24-24)T

c. If a betting interest is scratched in the third leg after the start of the first leg, a consolation payoff must be computed as for those bets combining the winners of the first and second legs with such scratched betting interest as follows: (4-24-24)T

i. The statutory take-out is deducted from the gross pool and then the amount represented by bets on combinations involving betting interests scratched from the second leg (reduced by the rate of the take-out thereon). (4-24-24)T

ii. The resulting remainder is divided by the amount bet on the combination of such first and second leg winners with all betting interests in the third leg (less breaks) to determine the consolation price per dollar payable to those bets combining winners of the first and second legs with a betting interest scratched in the third leg. The breaks must not be deducted from the pool. (4-24-24)T

d. If betting interests are scratched in both the second and third legs after the start of the first leg, a consolation payoff is computed for those bets combining the winner of the first leg with the betting interests scratched in both the second and third legs as follows: (4-24-24)T

i. The takeout is deducted from the gross pool and the remainder is divided by the amount bet on the winner of the first leg combined with all other betting interests (less breaks) to determine the consolation price per dollar payable to those tickets combining the winner of the first leg with the scratch betting interests from both the second and third legs. (4-24-24)T

05. All Three Cancelled. If all three (3) Win Three (3) contests are cancelled or declared “no contest,” the entire pool must be refunded on Win Three (3) wagers for those contests. (4-24-24)T

06. One or Two Canceled. If one (1) or two (2) of the Win Three (3) contests are cancelled or declared “no contest,” the Win Three (3) pool will remain valid and must be distributed in accordance with these rules. (4-24-24)T

836. PICK (N) POOLS.

01. Pick (n) Pools. The Pick (n) requires selection of the first-place finisher in each of a designated number of contests. The racing association must obtain written approval from the Racing Commission concerning the scheduling of Pick (n) contests, the designation of one (1) of the methods prescribed in these rules, and the amount of any cap to be set on the carryover. Any changes to the approved Pick (n) format require prior approval from the Racing Commission. (4-24-24)T

02. Apportioning the Pool. The Pick (n) pool is apportioned under one (1) of the following methods: (4-24-24)T

a. Method 1- Pick (n) with Carryover: The net Pick (n) pool and carryover, if any, must be distributed as a single price pool to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. If there are no such wagers, then a designated percentage of the net pool will be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests; and the remainder will be added to the carryover. (4-24-24)T

b. Method 2 - Pick (n) with Minor Pool and Carryover: The major share of the net Pick (n) pool and the carryover, if any, must be distributed to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool is distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher of all Pick (n) contests, the minor share of the net Pick (n) pool will be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick

(n) contests; and the major will be added to the carryover. (4-24-24)T

c. Method 3 - Pick (n) with No Minor Pool and No Carryover: The net Pick (n) pool must be distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests, based upon the official order of finish. If there are no winning wagers, the pool is refunded. (4-24-24)T

d. Method 4 - Pick (n) with Minor Pool and No Carryover: The major share of the net Pick (n) pool must be distributed to those who selected the first place finisher in the greatest number of Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool is distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in a second greatest number of Pick (n) contests, the minor share of the net Pick (n) pool is combined with the major share for distribution as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests. If the greatest number of first-place finishers selected is one (1), the major and minor shares are combined for distribution as a single price pool. If there are no winning wagers, the pool is refunded. (4-24-24)T

e. Method 5 - Pick (n) with Minor Pool and No Carryover: The major share of net Pick (n) pool must be distributed to those who selected the first-place finisher in each of the Pick (n) contests, based upon the official order of finish. The minor share of the net Pick (n) pool is distributed to those who selected the first-place finisher in the second greatest number of Pick (n) contests, based upon the official order of finish. If there are no wagers selecting the first-place finisher in all Pick (n) contests, the entire net Pick (n) pool is distributed as a single price pool to those who selected the first-place finisher in the greatest number of Pick (n) contests. If there are no wagers selecting the first-place finisher in a second greatest number of Pick (n) contests, the minor share of the net Pick (n) pool is combined with the major share for distribution as a single price pool to those who selected the first-place finisher in each of the Pick (n) contests. If there are no winning wagers, the pool is refunded. (4-24-24)T

f. Method 6 - Pick (n) with Minor Pool, Jackpot Pool, Major Carryover and Jackpot Carryover: Predetermined percentages of the net Pick (n) pool must be set aside as a Major pool, Minor pool and Jackpot pool. The Major share of the net Pick (n) pool and the Major carryover, if any, is distributed to those who selected the first-place finisher of each of the Pick (n) contests, based on the official order of finish. If there are no tickets selecting the first-place finisher in each of the Pick (n) contests, the Major net pool is added to the Major carryover. If there is only one (1) single ticket selecting the first-place finisher of each of the Pick (n) contests, based on the official order of finish, the Jackpot share of the net Pick (n) pool and the Jackpot carryover, if any, is distributed to the holder of that single ticket, along with the Major net pool and the Major carryover, if any. If more than one (1) ticket selects the first-place finisher of each of the Pick (n) contests the Jackpot net pool is added to the Jackpot carryover. The Minor share of the net Pick (n) pool is distributed to those who selected the first-place finisher of the second greatest number of Pick (n) contests, based on the official order of finish. If there are no wagers selecting the first-place finisher of all Pick (n) contests, the Minor net pool of the Pick (n) pool is distributed as a single price pool to those who selected the first-place finisher of the greatest number of Pick (n) contests. (4-24-24)T

03. Dead Heat. If there is a dead heat for first in any of the Pick (n) contests involving: (4-24-24)T

a. Contestants representing the same betting interest, the Pick (n) pool must be distributed as if no dead heat occurred. (4-24-24)T

b. Contestants representing two (2) or more betting interests, the Pick (n) pool must be distributed as a single price pool with each winning wager receiving an equal share of the profit. (4-24-24)T

04. Scratched Entry. Should a betting interest in any of the Pick (n) contests be scratched, the actual favorite, as evidenced by total amounts wagered in the Win pool at host association for the contest at the close of wagering on that contest, will be substituted for the scratched betting interest for all purposes, including pool calculations. In the event that the Win pool total for two (2) or more favorites is identical, the substitute selection will be the betting interest with the lowest program number. The totalizator must produce reports showing each of the wagering combinations with substituted betting interests which became winners as a result of the substitution, in addition to the normal winning combination. (4-24-24)T

05. Cancellation and Refunds. The Pick (n) pool will be cancelled and all Pick (n) wagers for the

individual performance will be refunded, if: (4-24-24)T

- a. At least two (2) contests included as part of a Pick Three (3) are cancelled or declared “no contest”; (4-24-24)T
- b. At least three (3) contests included as part of a Pick Four (4), Pick Five (5) or Pick Six (6) are cancelled or declared “no contest”; (4-24-24)T
- c. At least four (4) contests included as part of a Pick Seven (7), Pick Eight (8) or Pick Nine (9) are cancelled or declared “no contest”; or (4-24-24)T
- d. At least five (5) contests included as part of a Pick Ten (10) are cancelled or declared “no contest.” (4-24-24)T

06. Net Pool Distribution. If at least one (1) contest included as part of a Pick (n) is cancelled or declared “no contest,” but not more than the number specified in these rules the net pool must be distributed as a single price pool to those whose selection finished first in the greatest number of Pick (n) contests for that performance. Such distribution must include the portion ordinarily retained for the Pick (n) carryover but not the carryover from previous performances. (4-24-24)T

07. Course Condition. If the condition of the course warrants a change of racing surface in any of the legs of the Pick (n) races, and such change was not known to the public prior to the closing of wagering for the Pick (n) pool, the Board of Stewards must declare the changed leg(s) a “no contest” for Pick (n) wagering purposes only. A “no contest” race is not to be considered as a contested race. (4-24-24)T

08. Capped Carryover. The Pick (n) carryover may be capped at a designed level approved by the Racing Commission so that if, at the close of any performance, the amount in the Pick (n) carryover equals or exceeds the designated cap, the Pick (n) carryover will be frozen until it is won or distributed under other provisions of this rule. After the Pick (n) carryover is frozen, one hundred (100%) percent of the net pool, part of which ordinarily would be added to the Pick (n) carryover, must be distributed to those whose selection finished first in the greatest number of Pick (n) contests for that performance. (4-24-24)T

09. Carryover Requested. A written request for permission to distribute the Pick (n) carryover on a specific performance may be submitted to the Racing Commission. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution. (4-24-24)T

10. Single Price Distribution. Should the Pick (n) carryover be designated for distribution on a specified date and performance in which there are no wagers selecting the first-place finisher in each of the Pick (n) contests, the entire pool must be distributed as a single price pool to those whose selection finished first in the greatest number of Pick (n) contests. The Pick (n) carryover must be designated for distribution on a specified date and performance only under the following circumstances: (4-24-24)T

- a. Upon written approval from the Racing Commission as provided in these rules. (4-24-24)T
- b. Upon written approval from the Racing Commission when there is a change in the carryover cap, a change from one (1) type of Pick (n) wagering to another or when the Pick (n) is discontinued. (4-24-24)T
- c. On the closing performance of the meet or split meet. (4-24-24)T

11. Carryover Deposit. If, for any reason, the Pick (n) carryover must be held over to the corresponding Pick (n) pool of a subsequent meet, the carryover must be deposited in an interest-bearing account approved by the Racing Commission. The Pick (n) carryover plus accrued interest must then be added to the net Pick (n) pool of the following meet on a date and performance so designated by the Racing Commission. (4-24-24)T

12. Contribution to Pool. With the written approval of the Racing Commission, the racing association may contribute to the Pick (n) carryover a sum of money up to the amount of any designated cap. (4-24-24)T

13. Prohibited Information. Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of live tickets remaining is strictly prohibited until the race is made official. This does not prohibit necessary communication between totalizator and pari-mutuel department employees for processing of pool data. (4-24-24)T

14. Suspension of Wagering. The racing association may suspend previously-approved Pick (n) wagering with the prior approval of the Racing Commission. Any carryover must be held until the suspended Pick (n) wagering is reinstated. A racing association may request approval of a Pick (n) wager or separate wagering pool for specific performances. (4-24-24)T

837. QUINELLA POOLS.

01. Quinella Pools. The Quinella requires selection of the first two (2) finishers, irrespective of order, for a single contest. (4-24-24)T

02. Distribution. The net Quinella pool must be distributed to winning wagers in the following precedence, based upon the official order of finish: (4-24-24)T

a. If contestants of a coupled entry or mutuel field finish as the first two (2) finishers, as a single price pool to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish, otherwise; (4-24-24)T

b. As a single price pool to those whose combination finished as the first two (2) betting interests; but if there are no such wagers, then; (4-24-24)T

c. As a profit split to those whose combination included either the first- or second-place finisher; but if there are no such wagers on one (1) of those two (2) finishers, then; (4-24-24)T

d. As a single price pool to those whose combination included the one (1) covered betting interest included within the first two (2) finishers; but if there are no such wagers, then; (4-24-24)T

e. The entire pool must be refunded on Quinella wagers for that contest. (4-24-24)T

03. Dead Heat -- First Place. If there is a dead heat for first involving: (4-24-24)T

a. Contestants representing the same betting interest, the Quinella pool is distributed to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish. (4-24-24)T

b. Contestants representing two (2) betting interests, the Quinella pool is distributed as if no dead heat occurred. (4-24-24)T

04. Dead Heat -- Second Place. If there is a dead heat for second involving contestants representing the same betting interest, the Quinella pool is distributed as if no dead heat occurred. (4-24-24)T

05. Dead Heat -- Two or More Interests. If there is a dead heat for second involving contestants representing two (2) or more betting interests, the Quinella pool is distributed to wagers in the following precedence, based upon the official order of finish: (4-24-24)T

a. As a profit split to those combining the winner with any of the betting interests involved in the dead heat for second; but if there is only one (1) covered combination, then; (4-24-24)T

b. As a single price pool to those combining the winner with the one (1) covered betting interest

involved in the dead heat for second; but if there are no such wagers, then: (4-24-24)T

c. As a profit split to those combining the betting interests involved in the dead heat for second; but if there are no such wagers, then: (4-24-24)T

d. As a profit split to those whose combination included the winner and any other betting interest and wagers selecting any of the betting interests involved in the dead heat for second; but if there are no such wagers, then: (4-24-24)T

e. The entire pool must be refunded on Quinella wagers for that contest. (4-24-24)T

01. Quinella Double Pools. The Quinella Double requires selection of the first two (2) finishers, irrespective of order, in each of two (2) specified contests. (4-24-24)T

02. Distribution. The net Quinella Double pool must be distributed to winning wagers in the following precedence, based upon the official order of finish: (4-24-24)T

a. If a coupled entry or mutuel field finishes as the first two (2) contestants in either contest, as a single price pool to those selecting the coupled entry or mutuel field combined with the next separate betting interest in the official order of finish for that contest, as well as the first two (2) finishers in the alternate Quinella Double contest, otherwise: (4-24-24)T

b. As a single price pool to those who selected the first two (2) finishers in each of the two (2) Quinella Double contests; but if there are no such wagers, then: (4-24-24)T

c. As a profit split to those who selected the first two (2) finishers in either of the two (2) Quinella Double contests; but if there are no such wagers on one (1) of those contests, then: (4-24-24)T

d. As a single price pool to those who selected the first two (2) finishers in the one (1) covered Quinella Double contest; but if there were no such wagers, then: (4-24-24)T

e. The entire pool must be refunded on Quinella Double wagers for those contests. (4-24-24)T

03. Dead Heat - First Place. If there is a dead heat for first in either of the two (2) Quinella Double contests involving: (4-24-24)T

(4-24-24)T

08. Consolation Payoff. Should a betting interest in the second-half of the Quinella Double be scratched after the close of wagering on the first Quinella Double contest, all wagers combining the winning combination in the first contest with a combination including the scratched betting interest in the second contest will be allocated a consolation payout. In calculating the consolation payout the net Quinella Double pool is divided by the total amount wagered on the winning combination in the first contest and an unbroken consolation price obtained. The unbroken consolation price is multiplied by the dollar value of wagers on the winning combination in the first contest combined with a combination including the scratched betting interest in the second contest to obtain the consolation payout. Breakage is not declared in this calculation. The consolation payout is deducted from the net Quinella Double pool before calculation and distribution of the winning Quinella Double payout. In the event of a dead heat involving separate betting interests, the net Quinella Double pool is distributed as a profit split. (4-24-24)T

b. As a single price pool to those whose combination finished in correct sequence as the first two (2) betting interests; but if there are no such wagers, then; (4-24-24)T

c. As a profit split to those whose combination included either the first-place betting interest to finish first or the second-place betting interest to finish second; but if there are no such wagers on one (1) of those two (2) finishers, then; (4-24-24)T

d. The entire pool must be refunded on Trifecta wagers for that contest. (4-24-24)T

03. Less Than Three Interests Finish. If less than three (3) betting interests finish and the contest is declared official, payoffs will be made based upon the order of finish of those betting interests completing the contest. The balance of any selection beyond the number of betting interests completing the contest will be ignored. (4-24-24)T

04. Dead Heat for First. If there is a dead heat for first involving: (4-24-24)T

16. Winning Precedence. Should the Tri-Superfecta carryover be designated for distribution on a specified date and performance, the following precedence will be followed in determining winning tickets for the second-half of the Tri-Superfecta after completion of the first-half of the Tri-Superfecta: (4-24-24)T

a. As a single price pool to those whose combination finished in correct sequence as the first four (4) betting interests; but if there are no such wagers, then; (4-24-24)T

b. As a single price pool to those whose combination included, in correct sequence, the first three (3) betting interests; but if there are no such wagers, then; (4-24-24)T

c. As a single price pool to those whose combination included, in correct sequence, the first two (2) betting interests; but if there are no such wagers, then; (4-24-24)T

d. As a single price pool to those whose combination included, in correct sequence, the first-place betting interest only; but if there are no such wagers, then; (4-24-24)T

e. As a single price pool to holders of valid exchange tickets. (4-24-24)T

f. As a single price pool to holders of outstanding first-half winning tickets. (4-24-24)T

17. Exchange of Tickets. Contrary to Subsection 844.04 these rules, during a performance designated to distribute the Tri-Superfecta carryover, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the Tri-Superfecta. If there are no wagers correctly selecting the first-, second-, and third-place finishers, in their exact order, then exchange tickets will be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets will be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the Tri-Superfecta, all first-half tickets will become winners and will receive one hundred percent (100%) of that day's net Tri-Superfecta pool and any existing Tri-Superfecta carryover as a single price pool. (4-24-24)T

18. Carryover Designation. The Tri-Superfecta carryover may be designated for distribution on a specified date and performance only under the following circumstances: (4-24-24)T

a. Upon written approval from the Racing Commission as provided in Subsection 844.15 of these rules. (4-24-24)T

b. Upon written approval from the Racing Commission when there is a change in the carryover cap or when the Tri-Superfecta is discontinued. (4-24-24)T

c. On the closing performance of the meet or split meet. (4-24-24)T

19. Carryover from Past Subsequent Meet. If, for any reason, the Tri-Superfecta carryover must be held over to the corresponding Tri-Superfecta pool of a subsequent meet, the carryover must be deposited in an interest-bearing account approved by the Racing Commission. The Tri-Superfecta carryover plus accrued interest will then be added to the second-half Tri-Superfecta pool of the following meet on a date and performance so designated by the Racing Commission. (4-24-24)T

20. Prohibited Information. Providing information to any person regarding covered combinations, amounts wagered on specific combinations, number of tickets sold, or number of valid exchange tickets is prohibited until the race is made official. This does not prohibit necessary communication between totalizator and pari-mutuel department employees for processing of pool data. (4-24-24)T

21. Contest Approval. The racing association must obtain written approval from the Racing Commission concerning the scheduling of Tri-Superfecta contest, the percentages of the net pool added to the first-half pool and second-half pool, and the amount of any cap to be set on the carryover. Any changes to the approved Tri-Superfecta format requires prior approval from the Racing Commission. (4-24-24)T

845. TWIN SUPERFECTA POOLS.

01. Twin Superfecta Pools. The Twin Superfecta requires selection of the first four (4) finishers, in their exact order, in each of two (2) designated contests. Each winning ticket for the first Twin Superfecta contest must be exchanged for a free ticket on the second Twin Superfecta contest in order to remain eligible for the second-half Twin Superfecta pool. Such tickets may be exchanged only at attended ticket windows prior to the second Twin Superfecta contest. Winning first-half Twin Superfecta tickets will receive both an exchange and a monetary payoff. Both of the designated Twin Superfecta contests will be included in only one (1) Twin Superfecta pool. (4-24-24)T

02. Dividing Pools. After wagering closes for the first-half of the Twin Superfecta and commissions have been deducted from the pool, the net pool must then be divided into two (2) separate pools: the first-half Twin Superfecta pool and the second-half Twin Superfecta pool. (4-24-24)T

03. Winning Precedence. In the first Twin Superfecta contest only, winning wagers must be determined using the following precedence, based upon the official order of finish for the first Twin Superfecta contest: (4-24-24)T

a. As a single price pool to those whose combination finished in correct sequence as the first four (4) betting interests; but if there are no such wagers, then; (4-24-24)T

b. As a single price pool to those whose combination included, in correct sequence, the first three (3) betting interests; but if there are no such wagers, then; (4-24-24)T

c. As a single price pool to those whose combination included, in correct sequence, the first two (2) betting interests; but if there are no such wagers, then; (4-24-24)T

d. As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then; (4-24-24)T

e. The entire Twin Superfecta pool must be refunded on Twin Superfecta wagers for that contest and the second-half cancelled. (4-24-24)T

04. Carryover Pool -- First Race. If no first-half Twin Superfecta ticket selects the first four (4) finishers of that contest in exact order, winning ticket holders will not receive any exchange tickets for the second-half Twin Superfecta pool. In such case, the second-half Twin Superfecta pool will be retained and added to any existing Twin Superfecta carryover pool. (4-24-24)T

05. Winning Distribution. Winning tickets from the first-half of the Twin Superfecta will be exchanged for tickets selecting the first four (4) finishers of the second-half of the Twin Superfecta. The second-half Twin Superfecta pool must be distributed to winning wagers in the following precedence, based upon the official order of finish for the second Twin Superfecta contest: (4-24-24)T

a. As a single price pool, including any existing carryover monies, to those whose combination finished in correct sequence as the first four (4) betting interests; but if there are no such tickets, then; (4-24-24)T

b. The entire second-half Twin Trifecta pool for that contest must be added to any existing carryover monies and retained for the corresponding second-half Twin Superfecta pool of the next performance. (4-24-24)T

06. Forfeiture of Second-Half Rights. If a winning first-half Twin Superfecta ticket is not presented for cashing and exchange prior to the second-half Twin Superfecta contest, the ticket holder may still collect the monetary value associated with the first-half Twin Superfecta pool but forfeits all rights to any distribution of the

second-half Twin Trifecta pool. (4-24-24)T

07. Prohibited Entries. Coupled entries and mutuel fields are prohibited in Twin Superfecta contests. (4-24-24)T

08. Scratched First-Half Interest. Should a betting interest in the first-half of the Twin Superfecta be scratched, those Twin Superfecta tickets including the scratched betting interest must be refunded. (4-24-24)T

09. Scratched Second-Half Interest. Should a betting interest in the second-half of the Twin Superfecta be scratched, an announcement concerning the scratch must be made and a reasonable amount of time provided for exchange of tickets that include the scratched betting interest. If tickets have not been exchanged prior to the close of betting for the second Twin Superfecta contest, the ticket holder forfeits all rights to the second-half Twin Superfecta pool. (4-24-24)T

10. Late Scratch. If, due to a late scratch, the number of betting interests in the second-half of the Twin Superfecta is reduced to fewer than the minimum, all exchange tickets and outstanding first-half winning tickets will be entitled to the second-half Twin Superfecta pool for that contest as a single price pool, but not the Twin Superfecta carryover. (4-24-24)T

11. Dead Heat. If there is a dead heat or multiple dead heats in either the first- or second-half of the Twin Superfecta, all Twin Superfecta tickets selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, is a winner. In the case of a dead heat occurring in: (4-24-24)T

a. The first-half of the Twin Superfecta, the payoff is calculated as a profit split. (4-24-24)T

b. The second-half of the Twin Superfecta, the payoff is calculated as a single price pool. (4-24-24)T

12. Canceled Contest. If either of the Twin Superfecta contests are cancelled prior to the first Twin Superfecta contest, or the first Twin Superfecta contest is declared “no contest,” the entire Twin Superfecta pool must be refunded on Twin Superfecta wagers for that contest and the second-half cancelled. (4-24-24)T

13. Canceled Second-Half Contest. If the second-half Twin Superfecta contest is cancelled or declared “no contest,” all exchange tickets and outstanding first-half winning Twin Superfecta tickets will be entitled to the net Twin Superfecta pool for that contest as a single price pool, but not the Twin Superfecta carryover. If there are no such tickets, the net Twin Superfecta pool must be distributed as described in Subsection 845.03 of these rules. (4-24-24)T

14. Capped Carryover. The Twin Superfecta carryover may be capped at a designated level approved by the Racing Commission so that if, at the close of any performance, the amount in the Twin Superfecta carryover equals or exceeds the designated cap, the Twin Superfecta carryover will be frozen until it is won or distributed under other provisions of this rule. After the second-half Twin Superfecta carryover is frozen, one hundred percent (100%) of the net Twin Superfecta pool for each individual contest will be distributed to winners of the first-half of the Twin Superfecta pool. (4-24-24)T

15. Request for Carryover. A written request for permission to distribute the Twin Superfecta carryover on a specific performance may be submitted to the Racing Commission. 16. Winning Precedence. Should the Twin Superfecta carryover be designated for distribution on a specified date and performance, the following precedence will be followed in determining winning tickets for the second-half of the Twin Superfecta: (4-24-24)T

d. As a single price pool to those whose combination correctly selected the first-place betting interest only; but if there are no such wagers, then; (4-24-24)T

e. As a single price pool to holders of valid exchange tickets. (4-24-24)T

f. As a single price pool to holders of outstanding first-half winning tickets. (4-24-24)T

17. Exchange Ticket Distribution. Contrary to Subsection 845.04 of these rules, during a performance designated to distribute the Twin Superfecta carryover, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in their correct order of finish for the first-half of the Twin Superfecta. If there are no wagers correctly selecting the first-, second-, third-, and fourth-place finishers, in their exact order, then exchange tickets will be issued for combinations correctly selecting the first-, second-, and third-place betting interests. If there are no wagers correctly selecting the first-, second- and third-place finishers, in their exact order, then exchange tickets will be issued for combinations correctly selecting the first- and second-place betting interests. If there are no wagers correctly selecting the first- and second-place finishers, in their exact order, then exchange tickets will be issued for combinations correctly selecting the first-place betting interest only. If there are no wagers selecting the first-place betting interest only in the first-half of the Twin Superfecta, all first-half tickets will become winners and will receive one hundred percent (100%) of that day's net Twin Superfecta pool and any existing Twin Superfecta carryover as a single price pool. c. On the closing performance of the meet or split meet. (4-24-24)T

19. Carryover Held. If, for any reason, the Twin Superfecta carryover must be held over to the corresponding Twin Superfecta pool of a subsequent meet, the carryover must be deposited in an interest-bearing account approved by the Racing Commission. The Twin Superfecta carryover plus accrued interest will then be added to the second-half Twin Superfecta pool of the following meet on a date and performance so designated by the Racing Commission. (4-24-24)T

20. Prohibited Information. IDAPA 13 – IDAHO FISH AND GAME COMMISSION
ESTABLISHING SEASONS AND LIMITS FOR HUNTING, FISHING, AND TRAPPING IN IDAHO
DOCKET NO. 13-0000-2400P2
NOTICE OF ADOPTED / AMENDED PROCLAMATIONS FOR CALENDAR YEAR 2024

AUTHORITY: As authorized by Section 36-104, Idaho Code, and in compliance with Sections 36-105(3), Idaho Code, the Commission adopts proclamations establishing seasons and limits for hunting, fishing, and trapping in Idaho.

AVAILABILITY OF OFFICIAL PROCLAMATIONS: Hunters, anglers, and trappers are advised to consult the text of the Commission’s official proclamation before hunting, fishing, or trapping. All proclamations are available on-line at <https://idfg.idaho.gov/rules>, with print versions available at Idaho Department of Fish and Game offices and license vendors.

DESCRIPTIVE SUMMARY AND PUBLIC MEETING SCHEDULE: The Commission meeting schedule and meeting agendas are available on-line at [Commission Meeting Schedule](#), with opportunities for public comment generally scheduled at its January, March, May, July, and November meetings.

Information for Commission proclamations for calendar year 2024 was initially published in the February 7, 2024, Idaho Administrative Bulletin, [Volume 24-2, pages 10-11](#).

At a March 21, 2024, regular meeting the Commission took the following proclamation actions:

1. Adopted a proclamation for 2024 spring Chinook Salmon fishing, establishing seasons and limits in the Snake, Lower Salmon, Little Salmon, and Clearwater Rivers.
2. Amended its proclamation for 2024 big game seasons eliminating and adjusting certain deer and pronghorn hunts in response to a prior severe winter.

At a March 28, 2024, special meeting the Commission took the following proclamation actions:

1. The Commission interpreted a March 19, 2024, court order in *Center for Biological Diversity v. Little* (1:21-cv-00479-CWD), to close wolf trapping seasons in the entirety of the nineteen Counties encompassing the Panhandle, Clearwater, Salmon and Upper Snake Regions for the remainder of the 2023-2024 trapping season, effective April 1, 2024, through June 30, 2024, and the Department will accordingly revise the proclamation for the remainder of the 2023-2024 wolf trapping season. The Commission clarified that this determination is not a Commission designation of grizzly bear habitat, because these 19 counties contain significant area that is not occupied by grizzly bears and is not suitable for grizzly bears.

The Commission will take up the status of the 2024-2025 season before July 1, 2024, after further deliberation regarding options for addressing the court order.

The intent is to conduct rulemaking for the two chapters in tandem with one another.

The Department will also explore opportunities to improve on the non-resident sales component identified in IDAPA 13.01.04 and 13.01.08 by evaluating areas that need modified, consolidated, and updated.

The agency has identified the current chapter contains terms or language that may be duplicated in other chapters of IDAPA 13, contains language that is

either obsolete or outdated, or is more appropriately located in a different chapter of IDAPA 13. This rulemaking will also consider moving certain provisions of IDAPA 13.01.04, Rules Governing Licensing to IDAPA 13.01.08, where it is more appropriately incorporated as it specifically addresses Big Game and will leave IDAPA 13.01.04 covering rules around general licensing topics. The intent is to conduct rulemaking for the two chapters in tandem with one another.

The Department will explore opportunities to improve on the non-resident sales component identified in IDAPA 13.01.04 and 13.01.08 by evaluating areas that need modified, consolidated, and updated.

The Department will also consider consolidating IDAPA 13.01.17, Rules Governing Use of Bait for Hunting Big Game Animals into this chapter 13.01.08.

IDAPA 21 – DIVISION OF VETERANS SERVICES
21.01.04 – RULES GOVERNING IDAHO STATE VETERANS CEMETERIES
DOCKET NO. 21-0104-2401
NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is April 10, 2024.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section(s) 65-108 and 65-202, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This Temporary Rule will expand eligibility for interment at Idaho State Veterans Cemeteries to non-retiree Guard and Reservists who completed an enlistment of service honorably but are otherwise ineligible because they were never activated federally or did not complete enough service time to retire out of the Guard or Reserves.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

The rule complies with a new federal law, PUBLIC LAW 117-103 THE CONSOLIDATED APPROPRIATIONS ACT FOR FISCAL YEAR 2022 (Burial Equity for Guards and Reserves Act) which expands eligibility for State Veterans Cemeteries to non-military retiree Guard and Reservists without risking eligibility for VA Construction Grants for State Veterans Cemeteries.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

This law expands eligibility for burial National Guard and Reservists but does not expand eligibility for VA burial benefits. These newly eligible individuals who wish to be buried in the State Veterans Cemetery will have to cover the cost (equivalent to the VA reimbursement/plot allowance benefit) themselves.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Kevin Wallior, 208-780-1308.

24.39.30 – RULES OF BUILDING SAFETY (BUILDING CODE RULES)

DOCKET NO. 24-3930-2401 (NEW CHAPTER, FEE RULE)

NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of these temporary rules is April 23, 2024.

EXPIRATION DATE: The expiration date of these temporary rules is July 1, 2024.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Sections 67-2604(1), Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

During the 2024 Legislative Session, the Idaho Legislature passed House Concurrent Resolution 48, which approved the changes submitted by the Building Code board. However, these rules have existed only as temporary for the past several years and thus expire upon sine die. House Bill 767, which makes all approved rules effective July 1, was also passed and signed into law during session. These temporary rules codify the changes done as part of the negotiated rulemaking process and as approved by the Legislature until the final rules can take effect on July 1, 2024.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1)(a), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

Protection of the public health, safety, or welfare and to confer a benefit.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee(s) or charge(s) being imposed or increased is justified and necessary to avoid immediate danger and the fee(s) is described herein:

The fees or charges, authorized in the sections of Idaho Code referenced below, make up the board’s budget and thus relies upon the existence of these fees or charges to meet the state’s obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to necessary state services that are statutorily mandated by the Building Code Board. The temporary rules do not change the current fee schedule.

The following fees are established in accordance with the Sections 39-4107, 39-4112, 39-4113, Idaho Code, and relate to fees to purchase permits or for the performance of inspections on various types of construction installations:

Technical Service Fee. One hundred dollars (\$100) per hour.
