

Other Relevant Statutes & Rules

The following acts are unlawful by statute or commission rule. Consult Title 36, Idaho Code, or the 2016-2018 Idaho Fishing Seasons and Rules for exact wording and complete listing.

It Is Unlawful:

- To fish within the posted upstream or downstream boundary of any fish weir or trap.
- To refuse to produce license or fish for inspection upon request by a conservation officer
- To fail to stop and report at check stations established to inspect licenses and fish and game.
- To possess, transport or use any live fish, leeches, frogs, salamanders, waterdogs, or shrimp as bait, except that live crayfish may be used if caught on the body of water being fished.
- To catch any part of another person's bag limit, EXCEPT in the case of license-exempt persons fishing for salmon and steelhead.
- To transport for another or accept as a gift any game fish, unless a statement signed by the taker accompanies the fish, showing the number and kinds, the date taken, the taker's name, address and fishing license number.
- To claim ownership to more wild game or fish taken within the state of Idaho than allowed by established possession limits.
- To ship any fish by commercial carrier unless the outside of the package is marked as to the number and kinds of fish and the package contains a written statement showing the taker's name, address and fishing license number.
- To use seines, dip nets, spears, snag hooks, or any other contrivances in taking any fish from the waters of the state EXCEPT as allowed by Commission regulation. (Note: Tribal fisheries may use gear types other than those allowed in sport fisheries)
- To waste game fish.

IDFG adheres to all applicable state and federal laws and regulations related to discrimination on the basis of race, color, national origin, age, gender, or handicap. If you feel you have been discriminated against in any program, activity, or facility of IDFG, or if you desire further information, please write to: Idaho Department of Fish and Game, P.O. Box 25, Boise, ID 83707; or The Office of Human Resources, U.S. Fish and Wildlife Service, Department of the Interior, Washington, DC 20240.

Costs associated with this publication are available from IDFG in accordance with section 60-202, Idaho Code. 4-12/15,000/pc 38276/36230

Licenses, Permits and Requirements

Resident Fishing License.....	\$25.75
Resident Junior (14-17) Fishing License.....	\$13.75
Resident Salmon Permit (License Required)	\$12.75
Resident Two-Pole Permit	\$13.75
Nonresident Fishing License	\$98.25
Nonresident Daily Fishing License.....	\$12.75
(Each consecutive day at initial purchase) ...	\$6.00
Nonresident Junior (under 18) Fishing License..	\$21.75
Nonresident Salmon Permit (License Required)	\$25.75
3-Day Salmon/Steelhead Permit (includes a	
3-Day General Fishing License)	\$37.50
Nonresident Two-Pole Permit	\$15.50

- Any person, age 14 and older, must have a valid Fishing License and Salmon Permit in possession to fish for salmon.
- Any person, age 14 and older, who does not qualify as a resident must purchase a Nonresident Season Fishing License and Salmon Permit, a Nonresident Junior Fishing License and Salmon Permit, or a 3-Day Salmon/Steelhead License to fish for salmon.
- To qualify for resident status, a person must be domiciled in the state for at least six months.
- Children (including nonresidents) under the age of 14 may fish without a license and salmon permit provided they are accompanied by the holder of a valid permit and that any salmon kept that is 24 or more inches in length must be recorded on the permit holder's card and all salmon kept must be counted in the permit holder's legal bag, possession, and season limit.
- Resident children under the age of 14 may purchase their own salmon permit so that they may catch their own limit of salmon.
- Nonresident children under the age of 14 may purchase a Nonresident Junior Fishing License and a salmon permit so that they may catch their own limit of salmon.
- Children (including nonresidents) under the age of 14 may purchase a two pole permit.
- The holder of a valid Idaho Fishing License and Salmon Permit may fish for salmon in the Snake River where it forms the boundary between the states of Idaho and Washington or Idaho and Oregon, subject to the fish and game laws of Idaho, but may not fish from the shoreline, including wading, and may not fish in sloughs or tributaries on the Washington or Oregon side. Washington or Oregon license holders have the same rights and restrictions with reference to the Idaho side. Any angler who fishes on the Snake River is entitled to have in possession only the limit allowed by one license regardless of the number of licenses in possession.
- Consult the 2016-2018 Fishing Seasons and Rules brochure for other regulations relating to fishing, license costs and other Department information.

IDAHO 2016 Fall Chinook Salmon Seasons & Rules

Snake River
Mainstem Clearwater River
Lower Salmon River

Illustration by Joe Tomelleri

Salmon in this brochure refer to anadromous (ocean run) Chinook salmon of the species *Oncorhynchus tshawytscha*.

NOTE: Idaho Department of Fish and Game (IDFG) may implement in-season changes to seasons or limits. For updated seasons and limits information consult a license vendor, an IDFG office, the IDFG salmon fishing hotline (855-287-2702) or the IDFG website: (<http://idfg.idaho.gov>)

Tribal fisheries also occur in Idaho. They are governed by Tribes and have different rules than Idaho sport fisheries. Please be respectful of these different fishing traditions.

Seasons

The following waters are open to fishing for fall Chinook Salmon during the periods listed. Waters not specifically designated below shall remain CLOSED to fishing for or targeting of fall Chinook Salmon unless opened by Commission action. *In all waters open to fall Chinook salmon fishing, the season shall be 7 days a week until the closing date listed, or until further notice, whichever comes first.*

Opening Date: September 1, 2016

SNAKE RIVER:

- From the Washington / Idaho border to Hells Canyon Dam.

MAINSTEM CLEARWATER RIVER:

- From a line at the mouth (from a posted sign on the north bank to the western-most point on the south bank) upstream approximately 1.7 miles to the Highway 12 Memorial Bridge.

LOWER SALMON RIVER

- From its mouth upstream approximately 0.75 miles to Eye of the Needle Rapids.

Closing Dates:

- Clearwater River, Salmon River and the portion of the Snake River downstream of Cliff Mountain Rapids (River Mile 246.7 about 1.1 miles downstream of Hells Canyon Dam). October 31 or upon notice
- SNAKE RIVER from Hells Canyon Dam downstream about 1.1 miles to Cliff Mountain Rapids (River Mile 246.7). November 17 or upon notice.

Daily, Possession, and Season Limits

Anglers meeting license and permit requirements may retain only adipose fin clipped adult and jack fall Chinook Salmon.

Adult Chinook salmon are 24 or more inches in length.

Jack Chinook salmon are less than 24 inches in length

Daily Limit: Daily: Six (6) adult Chinook salmon. No daily limit on jack Chinook salmon.

Possession Limit: Eighteen (18) adult fall Chinook salmon. No possession limit on jack Chinook salmon.

Season: There is no limit on the number of Chinook salmon that an angler may harvest during the 2016 salmon season after September 1, 2016. An angler who fills their permit may purchase and additional permit.

Fishing Hours

Fishing for fall Chinook salmon is permitted 24-hours a day during the designated season and locations.

Permit Validation

When an adult adipose fin-clipped fall Chinook salmon has been hooked, landed and reduced to possession, the angler hooking the fish must immediately:

- Cut out and completely remove one numbered notch from his or her permit; and
- Look up the location code number from the list below and write it in the space provided; and
- Enter in the space provided, the month and day the fish was caught

RIVER LOCATION CODES	
<i>See Seasons section for full description of fishing boundaries. All of a river section may not be open for salmon fishing.</i>	
Snake River	
WA / ID Border Upstream to Salmon River	01
Salmon River upstream to Hells Canyon Dam.....	02
Clearwater River	
Posted boundary at mouth upstream to Highway 12 Memorial Bridge	03
Lower Salmon River	
From its mouth upstream approximately 0.75 miles to Eye of the Needle Rapids	10

For example, an adult salmon kept from the Snake River downstream of the Blue Bridge on September 6 would be entered as:

Fish	Bird		Month		Day		Location Code		Fish	Bird	
	1	2	9	06	0	1	21	22		23	24
1			9	06	0	1			21		
2									22		
3									23		
4									24		
5									25		

REMOVE NOTCH COMPLETELY!

Anglers may retain adipose fin-clipped jack Chinook salmon. Jack Chinook salmon are not part of the daily bag and possession limit and anglers are not required to record them on their permit.

When a salmon is released (not reduced to possession), the angler is not required to make an entry on the permit.

Methods of Take

Only barbless hooks may be used
Not greater than 5/8 inch

Hook - Up to 3 points on one shank

Single point hook - One point on one shank

- It is unlawful to use any hook larger than 5/8 inch measured from the point of the hook to the shank.
- Only barbless hooks may be used when fishing for salmon. Bending the barb(s) down to the shank of a single, double, or treble hook will meet this requirement.

Harvest Rules

Only hatchery salmon with a clipped adipose fin (as evidenced by a healed scar) may be kept. All salmon with an intact adipose fin must be released back to the water.

- Only Chinook salmon with a clipped adipose fin (as evidenced by a healed scar) may be kept.

- Chinook salmon with an unclipped adipose fin **MUST** be released.

C. No person shall have in the field or in transit a hatchery-produced adult anadromous salmon that has been processed by removing the head and tail unless the following conditions are met: 1) the fish has been recorded on the taker's salmon permit; 2) the fish is processed and packaged with the skin naturally attached to the flesh including a portion with a healed, clipped, adipose fin scar and 3) it must be packaged in a manner that the number of fish harvested can readily be determined. No person shall process salmon until they are ashore and done fishing for the day. No person shall transport processed salmon via boat. Jack salmon may not be processed while in the field or in transit. Any processed salmon count towards an angler's possession limit while in the field or in transit.

D. All salmon that are hooked, landed and reduced to possession must be killed immediately after landing and shall be counted in the limits of the person hooking the fish.
