**Daily, Possession, and Season Limits**

**Mainstem Clearwater, North Fork Clearwater, Middle Fork Clearwater and South Fork Clearwater:**

- **Daily Bag Limit:** four (4) salmon per day, only one (1) may be an adult.

Anglers may not fish for Chinook Salmon in any river section while in possession of Chinook Salmon that match or exceed the bag or possession limits for that section. (For example, an angler may not fish in the Mainstem Clearwater, North Fork Clearwater or Middle Fork Clearwater if they have harvested one or more adult salmon in another river section that day.)

No person shall have in the field or in transit a hatchery-produced adult anadromous salmon that has been processed by removing the head and tail unless the following conditions are met:

3. it must be packaged in a manner that the number of fish harvested can readily be determined.

No person shall process salmon until they are ashore and done fishing for the day. No person shall transport processed salmon via boat. Jack salmon may not be processed while in the field or in transit. Any processed salmon count towards an angler’s possession limit while in the field or in transit.
