Objectives

The January 4, 2025 meeting will be designed to accomplish the following objectives:

- Welcome all and share an update of comments submitted via the online feedback form
- Continue to provide the opportunity for everyone to begin to get to know each other
- Receive presentations about:
 - The results of the statewide survey conducted by IDFG to solicit input from the broader community about topics under consideration by the Working Group, including input specially focused on what technologies the public thinks the Working Group should address
 - Harvest trends and other information taken into consideration by IDFG when developing seasons to accomplish management objectives
 - Enforcement – including what is currently legal and illegal and what is enforceable
- Provide the opportunity for Working Group Members to discuss the information that has been presented and their reactions to that information

- Evaluate the meeting and identify next steps to continue moving forward.
