

Meeting Date: July 28, 2022

Agenda Item No. 5D2

**Agenda Item: Discount Order for Bighorn Sheep
Lottery Tag Application (Action)**

Approval: JR

Prepared by: Jon Rachael, Wildlife Bureau Chief

Background:

Idaho Code Section 36-408(5)(b) authorizes the Commission to issue one (1) special bighorn sheep tag each year, with the tag to be issued by the Department of Fish and Game to an eligible person as determined by lottery drawing. Under Section 36-408 the bighorn sheep “lottery tag” may be marketed by the Department or a nonprofit organization dedicated to wildlife conservation selected by the Commission.

Commission rule, IDAPA 13.01.04.800, clarifies that “tickets” for the bighorn sheep lottery tag are nontransferable controlled hunt applications. Agreements with the nonprofit organization selected for marketing the Bighorn Sheep Lottery Tag have identified discounted prices, including additional discounts for multiple purchases. The published brochures (season proclamation and summary of rules) for Moose/Bighorn Sheep/Mountain Goat have reflected these agreed-upon prices. The Commission has determined that a discount order pursuant to its authority under Idaho Code Section 36-415, is an appropriate procedural mechanism for memorializing the ticket/application prices for the Bighorn Sheep Lottery Tag.

Fees for all “Bighorn Sheep Lottery Tag” Special Controlled Hunt Applications for the July 2023 drawings are proposed to be consistent with those in the 2022 drawing as follows:

- One (1) Ticket/Application - \$20.00
- Six (6) Tickets/Applications - \$100.00
- Fourteen (14) Tickets/Applications - \$166.75
- Twenty-Five (25) Tickets/Applications - \$250.00
