

Meeting Date: August 12, 2019

Agenda Item No. 3

Agenda Item: 2020 Agency-Sponsored
Legislation, Idea #2, Nonresident Fee Schedule

Bureau Chief Approval: ES

Prepared by: Paul Kline

Background:

The Commission approved staff submittal of two ideas for agency-legislation through the Executive Agencies Legislation System (EALS). Both ideas were submitted through the EALS prior to the July 12, 2019 filing deadline. Following approval by the Governor's Office, the Division of Financial Management and adoption by the Commission, legislative ideas are formatted as bills and resubmitted through EALS. The deadline for submitting ideas in bill format is August 16, 2019.

To address hunter congestion, the Commission is conducting rulemaking so it may manage, by proclamation, the number of general season deer and elk tags available, by zone or unit, to nonresident hunters. If the proposed rulemaking and legislative review in the 2020 legislative session results in a final rule change, it would allow the Commission to limit the number of non-resident deer or elk tags available in a specific general hunt unit or zone to manage levels of nonresident participation to no less than ten percent (10%) of the average hunter participation estimated for that zone or unit during the preceding five (5) year period. If the Commission limits the number of nonresident tags in a general hunt without limiting resident tags, the options for allocation of outfitter tag would be those that currently apply to controlled hunts, including controlled hunts limited for nonresidents and unlimited for residents.

This agenda item is for Legislative idea #2. The schedule of license fees is established in Idaho Code, and represents a higher level of precedent than state agency rules. This agenda item addresses the Commission's request for proposing agency-sponsored legislation to revise the nonresident fee schedule to offset projected losses in revenue should the Commission adopt additional limits for nonresident hunter participation in general deer and elk hunts.

Statutory Authority and/or Policy issues:

Idaho Code 36-416 sets nonresident fees. The Commission has responsibility to provide policy direction for agency-sponsored legislation.

Public Involvement Process:

There is an opportunity through Commission meetings for public input regarding Governor's Office-approved legislative proposals. There is also substantial opportunity for public involvement through legislative committee hearings about bills during the 2020 session.

Staff Recommendation (Action):

Provide policy approval for staff to submit the attached draft bill language through the EALS for Governor’s office approval as agency-sponsored legislation for the 2020 legislative session. The legislation would establish a new nonresident fee schedule to take effect December 1, 2020. P.

Justification: Commission review is necessary to ensure consistency between legislative ideas and Commission policy and priorities.

Sample Motion:

Move to adopt the draft bill language as presented for the nonresident fee schedule for submission through EALS and direct staff to prepare a statement of fiscal impact and a statement of purpose.

Proposed Bill Language:

AN ACT
RELATING TO FISH AND GAME; AMENDING SECTION 36-416, IDAHO CODE,
TO REVISE FEE PROVISIONS; AND PROVIDING EFFECTIVE DATE.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 36-416, Idaho Code, be, and the same is hereby amended to read as follows:

36-416. SCHEDULE OF LICENSE FEES. As used in this section, "N/A" means "not available."
