DISABLED ARCHERY PROVISIONS. When the commission has established a special archery only season, any individual who is otherwise qualified to participate, shall be allowed to do so with the use of a crossbow if he has a permanent disability whereby he does not have use of one (1) or both of his arms or hands. The commission shall promulgate rules to establish a process for verifying the existence of the disability and for issuance of a free permit to qualifying individuals.

The Idaho Fish and Game Commission, in accordance with Section 36-105 and subsection 36-409A, Idaho Code, hereby establishes the following regulations governing the acquisition of a handicapped archery permit:

IDAPA 13.01.04.304 DISABLED ARCHERY PERMIT

01. Applications.
   a. Applications for disabled archery permits shall be on a form prescribed by the Department. Only eligible applicants may submit such applications.
   b. Applicants shall sign the application. Nonresident applicants must have their signature notarized. Each application shall be accompanied by certification from the applicant’s physician stating that the applicant has a permanent disability whereby he does not have use of one (1) or both of his arms or hands. The physician shall also certify that the applicant is capable of holding and firing, without assistance from other persons, a crossbow. If the physician is not licensed to practice in Idaho, a photocopy of the physician’s medical license must also be sent in with the application.

02. Permits.
   a. Disabled archery permits shall be issued only by the Director of the Department and shall expire on December 31 of the fifth year following the date of issuance.
   b. The disabled archery permit shall be carried on the person of anyone participating in an archery only season with the use of a crossbow and produced upon request of an officer.
   c. The disabled archery permit shall allow the holder thereof to participate in an archery only hunt with the use of a crossbow.
