

IDAHO BIRDING TRAIL

North Region

Coeur d'Alene • Lewiston • Moscow

30 Marble Creek/Hobo Pass/Merry Creek Subloop

LAT/LONG: 47.324684, -116.394066

DIRECTIONS: From St. Maries, at junction of ID 3/ID 5, take ID 3 N; R (N) at mp 85 onto FR 50 (St. Joe River Rd) (see site N29) continue E on FR 50 to Marble Ck; R (S) on FR 321 for 28 mi to Clarkia; when descending Hobo Summit on Merry Ck, turn L (E) onto FR 3357 for 2 mi to access Hobo Cedar Grove.

Hobo Cedar Grove is an ancient grove of western red cedar trees that provides a present-day glimpse at what the surrounding landscape may have looked like historically. This drive features Harlequin Duck and American Dipper along Marble Creek and Fox Sparrows may be seen or heard in forest opening along the road.
