eBird [ebird.org/hotspot/L249812](http://ebird.org/hotspot/L249812)

LAT/LONG: 43.4584433,-116.1426544

DIRECTIONS: *I-84 Exit #64; R (W) on E Kuna Mora Rd for ~3.5 mi to reserve.*

This site is one of the best locations to catch shorebird migration during the spring and fall. Among the abundant and diverse expected species, keep your eyes open for rare sandpipers and plovers. This site is a well known spot for finding unusual vagrants breeding season by multiple species of waterfowl, other waterbirds, and shorebirds.
