STIPULATIONS - LIVE FISH IMPORT OR TRANSPORT PERMIT:

1. Live fish or egg import or transport is regulated by Idaho state law (36-104) codes (13.01.- .06, .10, & .11).
2. No permit is required to:
 - Transport fish between Idaho licensed commercial fish facilities, or
 - Transport fish by an Idaho licensed commercial fish facility operator to a permitted private pond.
3. An import or transport permit may only be issued in conjunction with a valid Private Pond Permit and is not transferable.
4. The person responsible for the physical import or transport of live fish or eggs must apply for and secure the permit, and the permit must be in possession at all times during the the live fish or eggs are being imported or transported.
5. Permittees collecting fish from the wild in Idaho for transport must possess a valid fishing license and adhere to all regulations and rules (bag limits, minimum size, gear, etc.). Other legally licensed anglers may assist in collecting fish with the permittee.
6. All movement of Grass carp requires a live fish import or transport permit. Grass carp must be certified triploid by the United States Fish and Wildlife Service and must be certified free of the Asian Tapeworm.
7. Illegal release of live fish has serious adverse effects on existing fish populations and on fishing. If you suspect an illegal fish release has occurred or may occur, report it to the nearest Department representative or call the CAP toll-free number 1-800-632-5999.
