Purchase Methods

Nonresident licenses, general season tags and permits may be purchased at Fish and Game offices, over the phone, on the Internet or at any license vendor statewide. There is a quota on deer and elk tags, so don't delay your purchase. You may have a relative or friend purchase for you at a vendor if they have the identification information requested on the front of this form.

You may add a tag for another species via credit card purchase, over the Internet or at a license vendor. If you buy an elk tag in December, and decide in March to add a deer tag, you can do it!

Credit Card Purchase: Visa, MasterCard and Discover. Dial **1-800-55HUNT5 (554-8685)**. You can also make your purchase online at hunt.idaho.gov/buy. There is an extra charge for this service. The advantage is immediate confirmation of purchase, with no uncertainty about missing the quota.

Mail: Fill out and mail in this form, along with proper payment, to the address on the front of this application. Processing of applications received in the mail begins December 1. Be sure the correct amount is submitted in check or money order. If more than one application is mailed per envelope with one check to cover them all, be sure the amount is correct. An error could result in delay or return of all the applications in the package. Personal checks accepted.

If you use an outfitter, the outfitter must purchase your tags.

Other Important Information

Licenses, tags and permits are not transferrable. Refunds are allowed as specified in the big game rules.

Nonresident Disabled Veterans (DAV): Nonresident disabled American veterans with a disability rating of 40 percent or more by Veterans Affairs are eligible for nonresident DAV reduced fees for licenses and tags. Individuals must submit a letter from the Veterans Affairs office verifying a service-connected disability rating of 40 percent or greater. Such documentation may bear any date prior to license application. Documentation will be required only for the initial application and will not be required for subsequent applications.

Migratory Bird License Validation: Required to hunt any species managed by the U.S. Fish and Wildlife Service as a migratory species. Data collected will provide a better basis for management of interstate/international species.

Did you hunt migratory birds in Idaho during the last hunting season? (Yes/No) _____

If yes, how many days did you hunt? _____

If so, what was your estimated harvest of the following:

Ducks ___; Geese ___; Doves ___; Snipe ___; Coots ___

WMA Upland Game Permit: Pheasants are stocked on several Department owned Wildlife Management Areas. This permit is required only when hunting pheasants on Market Lake, Mud Lake, Sterling, Fort Boise, C.J. Strike, Montour, Niagara Springs, Payette River and Cartier Slough WMAs.

Deer Tags

Idaho has two general season deer tags, regular and white-tailed.

White-Tailed Deer Tag: Tag can be used to harvest a white-tailed deer only and allows hunting opportunities in September, October and November hunts. If you plan on hunting during the later November white-tailed deer rut hunts, the white-tailed deer tag is the right tag.

Regular Deer Tags: Tag can be used to harvest either white-tailed or mule deer and is valid for any Regular Deer hunt. If you plan to hunt during September or October and prefer to hunt both white-tailed and mule deer, a regular deer tag is the right tag.

Nonresident Deer or Elk Tags

Any nonresident deer or elk general season tags remaining unsold after August 1 may be purchased for use as a second tag.

Nonresident deer and elk tags (excluding Nonresident Junior Mentored deer or elk tags) may be used to take a black bear, gray wolf or mountain lion instead of a deer or elk, if a season is open for that species, where and when the deer or elk tag is valid, and if there is an open deer or elk season in that same unit. Tags cannot be used for deer or elk after it used to tag a bear, mountain lion, or wolf.

Tags Exchanges

You may exchange your deer or elk tag for a like species until the opening of the first season for which your tag is valid. Cost is \$3.75. If you have purchased a tag, you may apply for a controlled hunt in any zone, and if you are drawn your tag must be exchanged for the proper controlled hunt tag.

Archery Hunters

Idaho requires all first-time bowhunters to pass an archery education course. Experienced bowhunters are exempted. Please fill in the archery information at the top of the front page of this application, or complete the affidavit at the bottom of this page.

Three Year License

- Spend less time in line and more time in the field – check out the Three-year Licenses in the Big Game Regulations or online hunt.idaho.gov/3year.

Hunting Passport

- Interested in hunting but haven't completed a hunter education course? Sign up for the Hunting Passport - which allows any first-time hunter, resident or nonresident, age 8 and older to try hunting with a licensed adult mentor for one year without first having to complete an Idaho hunter education course.

The Idaho Outfitters and Guides Board website at <http://oglb.idaho.gov> includes a search engine that will help you locate outfitters by activity and by area; for a list call 208-327-7380. Use of an outfitter or guide is not required by law.
