PURCHASE METHODS

Nonresident licenses, general season tags and permits may be purchased at Fish and Game offices, over the phone, on the Internet or at any license vendor statewide. You may have a relative or friend purchase for you at a vendor if they have the identification information requested on the application.

You may add a tag for another species via credit card purchase, over the Internet or at a license vendor.

Credit Card Purchase: Visa, MasterCard and Discover. Dial **1-800-55HUNT5 (554-8685)**. You can also make your purchase online at goutdoorsidaho.com. There is an extra charge for this service. The advantage is immediate confirmation of purchase.

Mail: Fill out and mail the application, along with proper payment, to the address provided on the application. Processing of applications received in the mail begins December 1. Be sure the correct amount is submitted in check or money order. If more than one application is mailed per envelope with one check to cover them all, be sure the amount is correct. An error could result in delay or return of all the applications in the package. Personal checks accepted. If you use an outfitter, the outfitter must purchase your tags.

ARCHERY HUNTERS

Idaho requires all first-time bowhunters to pass an archery education course. Experienced bowhunters are exempted. Please fill in the archery information or complete the affidavit on the application.

THREE YEAR LICENSE

Spend less time in line and more time in the field – check out the Three-year Licenses in the Big Game Regulations or online goutdoorsidaho.com.

OTHER IMPORTANT INFORMATION

Licenses, tags and permits are not transferable. Refunds are allowed as specified in the big game rules.

Individuals must submit a letter from the Veterans Affairs office verifying a service-connected disability rating of 40 percent or greater. Such documentation may bear any date prior to license application. Documentation will be required only for the initial application and will not be required for subsequent applications.

Migratory Bird License Validation: Required to hunt any species managed by the U.S. Fish and Wildlife Service as a migratory species. Data collected will provide a better basis for management of interstate/international species.

Upland Game Bird Permit: Required at all pheasant stocking program locations. See idfg.idaho.com/hunt/pheasant/stocking. Not required for under 18.
