2026 - 2027 SAGE-GROUSE SEASONS & RULES

General: Sept 15 - Oct 31, 2026

Falconry: Aug 15, 2026 - Mar 15, 2027

A Sage-grouse Tag is required to hunt sage-grouse. A tag is valid for one sage-grouse.

Sage-grouse tags will be available for purchase at 10:00AM MDT on August 3, 2026 on a first-come, first-serve basis until tag quotas are reached. Sage-grouse tags are distributed across 12 hunting zones with a tag quota for each zone. A hunter may purchase two sage-grouse tags. Tags are specific to the zone for which they are purchased. Areas not defined within a zone are closed.

Tags are available at any Fish and Game license vendor, by telephone (1-800-554-8685) or on the Fish and Game online license vendor website: GoOutdoorsIdaho.com.

Identify Your Target! Is it a Sage-grouse or a Sharp-tailed Grouse?

Sage-grouse and sharp-tailed grouse can occur in the same areas in south-central and eastern Idaho. Hunting seasons for these species overlap. The sharp-tailed grouse hunting season is October 1 to November 8.

BE SURE OF YOUR TARGET

Sage-grouse

Sharp-tailed Grouse

Refer to the 2026 & 2027 Upland Game, Furbearer and Turkey Seasons and Rules for general upland gamebird rules, license and permit information. See Pages 9 and 14 for important grouse identification information.

Zone Map

Tag

Number of tags legal for purchase per hunter is 2.

Tag Fees

Resident Sage-grouse Tag = \$22.75

Nonresident Sage-grouse Tag = \$74.25

Tagging and Species Identification

Immediately after any sage-grouse is harvested, the tag must be validated and securely attached to the sage-grouse. The tag must remain attached to the carcass during transit to the place of final storage or consumption. A fully feathered wing or head must be left naturally attached to any dressed sage-grouse while in possession or being transported.

Wings

All tag holders will be mailed a postage-paid return envelope to submit one wing from each bird harvested.
