LICENSES, TAGS AND PERMITS

To Buy a License, Tag or Permit

• Visit an Idaho Fish and Game office or license vendor.
• Download the “GoOutdoorsIdaho” mobile application from the Google Playstore or Apple Appstore.
• From your computer or mobile device, go to GoOutdoorsIdaho.com
• Within the United States call 1-800-554-8685.
• For an overview of all license buying options, visit idfg.idaho.gov/buy
• Commercial licenses, duplicate tags, documents that require proof of disability, lifetime certificates, and bear baiting permits may be purchased only at Fish and Game offices.

When buying licenses by telephone, the buyer will be assigned a confirmation number that may be used in lieu of the actual license for 14 days from the date of issue. When this number is used, the person must carry their driver’s license or identification card. A confirmation number may not be used in lieu of a tag or permit such as salmon/steelhead or Upland Game Bird Permits. Purchasers must wait until tags or permits arrive in the mail.

Licenses purchased online must be printed from the buyer’s computer; they will not be mailed. However, all tags and noticiable permits will be mailed. A confirmation number may not be used in lieu of a tag or salmon/steelhead permit. Purchasers must wait until tags or permits arrive in the mail.

The charge for phone-in purchases is three percent of the transaction plus $5.50 (unless requesting a license be mailed then $6.50); the charge for online purchases is three percent of the transaction plus $3.50 (unless requesting a license be mailed then $4.50.)

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

Nonresidents: If you hunt with an outfitter in Idaho, the outfitter should buy your tags through the “outfitter set-aside” pool of tags.

Sale Dates: Most licenses and tags go on sale December 1, but resident deer, and elk tags are not available until after the controlled hunt drawings are done. Sage Grouse tags go on sale August 1. Most licenses are valid only for the calendar year for which they are issued.

Hunter and Bowhunter Education

• To buy a hunting license, all hunters must show proof that they have completed a hunter education course if they were born on or after January 1, 1975, unless they have held a valid hunting license from Idaho or another state.
• To buy an archery permit, all bowhunters must possess a valid hunting license and show proof they have completed an approved bowhunter education course or show evidence of having been licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.
• Course and registration information can be found on Fish and Game’s website or by contacting any Fish and Game office.
• Individuals planning to participate in fall hunts are encouraged to enroll in a course before June 30, as the number of courses offered becomes very limited closer to fall hunting seasons.
• Prospective hunters have two course options to receive their certification: Instructor-led Course – 12 to 18 class hours plus an outdoor field day and final written exam. Online Course – A self-paced, online instruction and an online exam. An additional outdoor field day may be required for hunter certification, check idfg.idaho.gov/hunt/education.

Refund Policy

No refunds will be made on resident licenses, tags or permits. No refunds will be made on fishing licenses. Nonresident hunting licenses and tags may be refunded less issuance fees and a $50 processing fee, in the event of:

• Illness or injury that disables a license holder for the entire applicable hunting season.
• Military deployment of license holder due to armed conflict.
• Death of the license holder’s parent, spouse or child.

Tags and license must be returned with proof (death certificate, obituary, written justification by a licensed medical doctor, or copy of military orders). Hunting license fees will not be refunded after the license is used to apply for a controlled hunt or to buy a turkey, mountain lion or bear tag. The request must be postmarked by December 31 of the year in which the license was valid, except for “event of death” refund, which must be submitted within 1 year of the death.

A controlled hunt permit and tag may be made available in the same hunt for purchase by an immediate family member of a person who died before using his or her tag. Contact Licenses at (208) 334-2592.

If a refund is requested for any other reason, only the tag fees (not the license or permit fee) may be refunded at the following sliding scale rate:

- Postmarked before April 1 – 75 percent refund.
- Postmarked April 1 through June 30 – 50 percent refund.
- Postmarked July 1 through August 31 – 25 percent refund.
- Postmarked September 1 through December 31 – No refund.

Resident Disabled Licenses

Any resident certified as permanently disabled or eligible for federal supplemental income (SSI), social security disability income (SSDI), railroad retirement board disability, a nonservice-connected veteran’s pension, or a service-connected veteran’s disability benefit with 40 percent or more combined/overall disability rating, may qualify for a “disabled” license. An applicant must provide either a benefit verification letter from the Social Security Administration in their name showing they are receiving SSI or SSDI benefits for the current year, or a letter from the Railroad Retirement board verifying disability status and being dated within 3 years preceding application for a license, or an official identification card issued by the U.S. Department of Defense, or a letter of any date from the U.S Department of Veterans Affairs verifying a service-connected disability rating of 40% or greater, or a current year’s letter from the Veteran Affairs office showing the applicant is receiving
a nonservice-connected pension, or a form prescribed by the department that certifies permanent physical disability. A physically disabled person means a person who has lost the use of one (1) or both lower extremities or both hands, or is unable to walk 200 feet or more unassisted by another person or without the aid of a walker, cane, crutches, braces, prosthetic device or a wheelchair, or is unable to walk 200 feet or more without great difficulty or discomfort due to one or more of the following impairments: neurological, orthopedic, respiratory, cardiac, arthritic disorder, blindness (a medically documented loss or impairment of vision and includes any person whose visual acuity with correcting lens does not exceed 20/200 in the better eye, or whose vision in the better eye is restricted to a field which subtends an angle of not greater than 20 degrees), or the loss of function or absence of a limb.

An applicant may present a valid Idaho driver’s license if the holder meets disability requirements or section 49-117(7)(b), Idaho Code, and license is marked as disabled.

Disabled licenses may be purchased at Fish and Game offices, selected license vendors (see website for list), and through the mail.

**Disabled Hunter/Companion**
The rules for a companion assisting a disabled hunter allow the companion to take an animal that has been wounded by the disabled hunter and to place and validate the disabled hunter’s tag on the animal.

The rules apply for disabled hunters who possess a valid disability license, disabled archery permit, a disabled hunt-from-a-motor-vehicle permit and a valid tag, or a disabled veteran participating in a hunt as provided in section 36-408(7), Idaho Code, and has a valid tag or permit.

The companion is not required to have a tag or controlled hunt permit to assist a disabled hunter. However, the companion must have a valid license and applicable special weapon permit (i.e. – for an archery only hunt, the companion would need an archery permit) when assisting a disabled hunter.

The companion must have a written statement of designation from the disabled hunter while hunting with the disabled hunter or assisting them with taking and tagging their harvested animal. The statement must include the disabled hunters name, address, hunting license, big game tag number and the dates of the designation as a companion.

The companion must accompany the disabled hunter while hunting and they are required to be within normal conversation or hearing range without shouting or the aid of electronic devices.

For more information about the rules for a companion to a disabled hunter, please contact your local Fish and Game office.

**Resident Lifetime License Certificates**
The purchase of a lifetime certificate could be the best investment you ever make. Lifetime certificates authorize all privileges associated with a corresponding annual license, are valid for the life of the certificate holder and are available to Idaho residents. The lifetime certificate does not include tags and permits. If a lifetime certificate holder moves out of Idaho, they will continue to receive an annual license, but will pay nonresident tag and permit fees. Lifetime certificates can be purchased at IDFG offices only.

**Idaho Residency Requirements**
Proof of residency is required to buy any resident license. A previous year’s license is not proof of residency.

1. **Drivers must present:** A valid Idaho driver’s license and must have been domiciled in the state of Idaho for the last six months immediately prior to purchasing a resident license, tag or permit. Owning real property or paying property taxes within the state of Idaho does not in itself establish residency. You cannot claim resident privileges in any other state or country if you intend to claim residency and purchase resident licenses in the state of Idaho.

2. **Non-drivers must present:** An Idaho identification card issued by the Department of Transportation; or a combination of two documents bearing your name and address but not issued by yourself.

**Examples include:**
- Home utility bills for the previous six months.
- Rent receipts or mortgage statements for the previous six months.
- Notarized statement from an employer on business letterhead.
- Proof of voter registration dated six months prior.
- For a minor child under 18, identification from a parent.

3. **Military members:** A member of the military service of the United States or a foreign country, state National Guard or Air National Guard, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days last preceding application, as long as such assignment continues, is eligible to purchase a resident license.

To show eligibility you need: A current “Military Status and Residency Affidavit” signed by first sergeant, section commander or commander; or a current request and authorization for permanent change of station showing a ‘report no later than’ date within the last 60 days; or a combination of two documents given in number two (2) above dated thirty (30) days prior.

This is a summary of residency requirements, for additional details see Idaho Code 36-202(S) and 36-405; online at idfg.idaho.gov/title36 and idfg.idaho.gov/idapa13 or contact your local Fish and Game office. Persons who do not qualify as residents must purchase a nonresident license.

**Hunting Passports**
Hunting Passports are available only to first time hunters. Anyone who has previously held a hunting license in any state is not eligible. For more information, visit: idfg.idaho.gov/hunt/passport, or contact your local Fish and Game office.
## Resident License, Tag and Permit Fees

Prices listed below include prices for those who have held a valid annual/3 year license in 2019 and 2020 who are considered “Price Locked” and prices for those who are not price locked. To opt in to the price lock you may purchase a 3 year license. See important notes on next page.

Every year, 34 lucky hunters walk into the field with special Super Hunt tags in their pockets. These tags allow a hunter to pursue an elk, deer, pronghorn or moose in any open hunt in Idaho. This thrill is quadrupled for two Super Hunt Combo winners who are able to hunt all four species in any open hunt.

The freedom to pursue world-class big game in Idaho is an experience winners will long remember.

How to Enter

For as little as $6 you have a chance to win an Idaho Super Hunt.
- Each Super Hunt entry for a specific species costs $6.
- Each Super Hunt Combo entry costs $20.

No license is needed to enter and hunters can entry as many times as they like.

To submit your Super Hunt entries:
- Entries can be submitted online at GoOutdoorsIdaho.com, at any IDFG regional office, or by phone at 1-800-554-8685. Internet and telephone transaction include additional processing fees.
- Order forms and a check made payable to IDFG License Section can be mailed to P.O. Box 25, Boise, ID 83707
- If submitting by mail, make sure the entry order form is complete, and that you mark the species and number of entries you want.

Super Hunt Drawings

There are two Super Hunt Drawings, one in June and another in August.
- Entries for the first drawing must be received at Fish and Game headquarters no later than May 31. Winning entries will be drawn in June.
- Entries for the second drawing must be received no later than August 10. Winning entries will be drawn in August.

Please note, Super Hunt tags are in addition to any general and controlled hunt tags a hunter has applied for or may already hold. All other rules of individual hunts apply:

Hunters can use this tag in any general or controlled hunt season for the species.

Visit Idaho Fish and Game’s website idfg.idaho.gov/superhunt for more information and Super Hunt stories.
Navigable streams are defined as any stream which, in its natural high-water condition, will float logs or any other commercial or floatable commodity, or is capable of being navigated by oar or motor propelled small craft for pleasure or commercial purposes. Navigable streams are recognized as public transportation corridors, thus members of the public have the right to use the corridor, provided they enter and exit the corridor at a public right of way, and remain within the corridor. Many navigable streams flow through private property, thus it is important that anglers know their rights and responsibilities when fishing in navigable waters that flow through private property.

When fishing in navigable streams bordered by private property:

- You must stay within the normal high-water marks of the stream, unless you have landowner permission to get out on the bank, or have no other means of getting around an obstruction in the stream (such as a fence or diversion dam).
- When getting outside of the stream to go around an obstruction, take the shortest, most direct route around the obstruction to get back in the stream.
- Do not allow pets or children to trespass on adjacent private property, without landowner permission.
- You may enter and exit navigable streams at other public rights of way, such as county road bridges.
- **ASK FIRST!** Always get landowner written permission or other lawful permission before crossing private lands outside of a public right of way.
A TRUE SPORTSMAN RESPECTS THE PRIVATE LANDOWNER

Treat landowners as you would like to be treated, and treat their land as you would like yours to be treated.

ALWAYS...

- Ask Permission
- Leave Gates As You Found Them
- Don’t Litter
- Be Courteous
- Don’t Drive Off Established Roads
- Express Your Thanks

LEARN ABOUT LEAD

Hunter Information:
• Lead can be toxic if ingested, and the toxicity level depends on the level and frequency of exposure.
• People can ingest lead particles from bullets or shot in hunter harvested game animals.
• Lead particles in game meat may be too small to detect by sight, feel or taste.
• Lead shot is banned in the U.S. for waterfowl hunting, but is still used for other purposes.
• Wildlife can be poisoned from ingesting lead.

Reduce Your Risk:
• Use non-lead, copper or other high-weight retention ammunition.
• Liberally trim around the wound channel.
• Discard meat that is bruised, discolored or contains hair or feathers, dirt, bone fragments, or plant material.
• Use caution when rinsing the carcass to avoid spreading lead fragments.
• Ground game meat has more lead fragments than steaks and chops.
• Ask commercial processors not to combine meat from other hunters with yours.
• Avoid cooking game meat with acidic substances like vinegar or wine.
• Practice good marksmanship.
• Practice clean field handling techniques.

WHEN NOXIOUS WEEDS MOVE IN, BIG GAME MOVE OUT!

Noxious weeds replace native plants and destroy antelope, elk, deer, and other big game habitat. Most noxious weeds are not suitable for big game forage. Big game will leave areas infested by noxious weeds in search of better habitat.

HERE’S HOW YOU CAN HELP:
Clean weeds and weed seeds off of your hunting gear and ATVs. This helps prevent their spread.

LEARN ABOUT LEAD

Hunter Information:
• Lead can be toxic if ingested, and the toxicity level depends on the level and frequency of exposure.
• People can ingest lead particles from bullets or shot in hunter harvested game animals.
• Lead particles in game meat may be too small to detect by sight, feel or taste.
• Lead shot is banned in the U.S. for waterfowl hunting, but is still used for other purposes.
• Wildlife can be poisoned from ingesting lead.

Reduce Your Risk:
• Use non-lead, copper or other high-weight retention ammunition.
• Liberally trim around the wound channel.
• Discard meat that is bruised, discolored or contains hair or feathers, dirt, bone fragments, or plant material.
• Use caution when rinsing the carcass to avoid spreading lead fragments.
• Ground game meat has more lead fragments than steaks and chops.
• Ask commercial processors not to combine meat from other hunters with yours.
• Avoid cooking game meat with acidic substances like vinegar or wine.
• Practice good marksmanship.
• Practice clean field handling techniques.
Idaho is a member of the Wildlife Violator Compact, which means that if an individual’s hunting, fishing or trapping license is revoked by any of the 48 member states; all the remaining states will revoke the same license or privilege for the same time period.

Anyone with information about a wildlife violation are encouraged to “Make the Call” and contact the Citizens Against Poaching (CAP) hotline at 1-800-632-5999. Callers may remain anonymous, and they may be eligible for a reward.
