

Emergency closure along portion of Snake River amended, effective 12:01 am MTN on Thursday, October 19, 2023

UPDATED: OCTOBER 17, 2023

EMERGENCY CLOSURE

HUNTING, FISHING AND TRAPPING CLOSURE

The Idaho Department of Fish and Game Commission has amended the emergency closure of hunting, fishing, and trapping in a portion of the Snake River, opening a portion of the area that was previously closed.

Emergency Closure Area:

Effective 12:01 am on Thursday, October 19, 2023, all hunting, fishing, and trapping are closed below the ordinary high water mark of the Snake River from Twin Falls Hydroelectric Dam to the Yingst Grade Bridge (also known as “Broken Bridge”, Alpheus Creek Bridge”, and the “Old Interstate Bridge”), which is approximately one-half mile upstream of Auger Falls.
