

Controlled hunt is a term used to describe a hunt with a limited number of tags, unlike a general season, which allows unlimited numbers of hunters. Controlled hunts are often desirable because of location and timing, and success rates are usually higher than general season hunts. Controlled hunt tags are allocated by a random drawing.

Key Application Dates

- Moose, bighorn sheep, and mountain goat: **April 1-30.**
- Successful applicants will be notified by **June 10.**
- Second drawing application period: **June 15-25.**
- Second drawing **June 30.**

To apply, see instructions on pages 38 - 39. Controlled hunt applications may be submitted at any hunting and fishing license vendor, Fish and Game office, by telephone at 1-800-554-8685, or online at <http://idfg.idaho.gov>. (Rules for deer, elk, pronghorn and black bear controlled hunts are different and covered in their own brochure and website section).

Notice: A person may apply for only one species. Any person applying for any moose, bighorn sheep, or mountain goat hunt is prohibited from applying for any other big game controlled hunt in the same year. Except: They may apply for a controlled depredation hunt for deer, elk, or pronghorn, a controlled black bear hunt, or leftover deer, elk or pronghorn controlled hunt tag, an unlimited controlled hunt, or extra deer, elk, pronghorn, or turkey hunt.

- **Tag Transfer to Youth:** The holder of a controlled hunt tag for big game or turkey may transfer that tag to his or her child or grandchild under the age of 18 who is otherwise qualified to participate in the hunt. A form provided by Fish and Game must be used to designate the tag, which can only be done at a Fish and Game office, in person or by mail. The child or grandchild may be designated only one controlled hunt tag per species per calendar year. The transfer must be made before the opening date of the hunt. If an adult designates his or her “once in a lifetime” moose, bighorn sheep or mountain goat tag to their child or grandchild, and the child harvests using the tag, then the child has fulfilled their “once in a lifetime” eligibility and will no longer will be eligible to apply for that species. Also, resident adults can only transfer tags to resident youth; Nonresident adults can only transfer tags to nonresident youth. For more information, please contact the local Fish and Game office or visit us online at idfg.idaho.gov/license/applications.

Tags

No person may hunt in any controlled hunt without a valid controlled hunt tag in their possession. In the event a tag is issued based on erroneous information the tag will be invalidated by Idaho Fish and Game and may not be used. Fish and Game will notify the tag holder of the invalidation of the tag. The person will remain on the drawn list, and if there is a waiting period in a succeeding year, the person will be required to wait the specified time period.

Nonresident Limitations

Nonresident hunters are limited to no more than 10 percent of the total number of controlled hunt tags for each species. (Special bighorn sheep tags available by auction and lottery are not included in the 10 percent limitation.) In controlled hunts with 10 or fewer tags, not more than one nonresident tag may be issued.

Requirements

Only one application per person or group will be accepted for the same species. Additional applications for the same person or group for the same species will result in all applications being declared ineligible.
