

2019 & 2020 MOOSE HUNTING SEASONS

MOOSE

Antler Restrictions

- Only moose with at least one antler longer than six inches may be taken in any season open for antlered moose only.
- Only moose without antlers or with antlers less than six inches long may be taken in any season which is open for antlerless moose only.

Mandatory Check and Report Requirements

All successful moose hunters must report their harvest within 10 days of the date of the kill and have a big game mortality report completed. Any hunter killing an antlered moose must present the antlers to a conservation officer or at an Idaho Fish and Game regional office and have a big game mortality report completed within 10 days of the date of the kill. Any hunter killing an antlerless moose can report by phone to a regional office and have a big game mortality report completed within 10 days of the date of kill. Fish and Game's headquarters office is not equipped to check in moose. In the Boise area, these animals can be checked at the Fish and Game regional office in Nampa (15950 N. Gate Blvd, 208-465-8465) weekdays between the hours of 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7095.

A hunter may authorize another person to comply with the above report requirements if that person possesses the

necessary information to accurately complete the necessary form, see page 32.

Unsuccessful hunters must present or mail their unused tags to a Fish and Game office within 10 days after the close of the season for which the tag was valid. Tags can be mailed to: Idaho Fish and Game, Attn: Wildlife Bureau, PO Box 25, Boise, ID 83707. Cancelled tags will be returned to the hunter upon request. Failure to report may result in future ineligibility in moose drawings.

NOTE: Moose tags unfilled after the first drawing are available to any Idaho hunter during a second drawing, see page 38. Hunters who have previously harvested a bull and/or a cow moose and are not eligible for the first drawing may apply for and receive one of these tags in the second drawing or as a leftover tag if tags are still available.

No person may harvest more than one antlered and one antlerless moose in Idaho during their lifetime, except Super Hunt tag winners and leftover tag holders may harvest moose regardless of any previous harvest of moose in Idaho.

Drawing Odds: To review drawing odds and more detailed information about number of applicants please visit our website at idfg.idaho.gov/CHodds.

For details on controlled hunt rules and restrictions please see pages 37-39.

Hunters: Please check Moose Controlled Hunt Area descriptions on pages 14-15. Hunt Areas may change.

REPORT WILDLIFE CRIME POACHING IS STEALING

Idaho is a member of the Wildlife Violator Compact, which means that if an individual's hunting, fishing or trapping license is revoked by any of the 44 member states; all the remaining states will revoke the same license or privilege for the same time period.

Anyone with information about a wildlife violation are encouraged to "Make the Call" and contact the Citizens Against Poaching (CAP) hotline at **1-800-632-5999**. Callers may remain anonymous, and they may be eligible for a reward.
