

TURKEY GENERAL INFORMATION

Youth Hunts for Turkeys

A hunter must be 10 to 17 years of age to hunt in the general season youth hunt (April 8-14, 2018 and 2019).

A hunter applying for a controlled hunt open to youth only must be 10-17 years of age during the hunt for which they are applying, but they may not hunt until they are 10 years of age.

A 9-year old may purchase a junior hunting license and then purchase a turkey tag and/or apply for a controlled turkey hunt, but they may not hunt until they are 10 years of age.

Resident junior hunters under 12 must be accompanied by a licensed adult 18 years of age or older who must be close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices.

Nonresident junior mentored hunters under 18 must be accompanied by a licensed adult 18 years of age or older close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices.

Tag and Permit Requirements

No person may hunt wild turkey without having in his or her possession the appropriate hunting license, general tag, extra tag, special unit tag and/or a controlled hunt permit.

A hunter may harvest as many turkeys as they have legal tags for that given year. There are three types of turkey tags available.

- **General Tag** (one tag per person per year)
- **Extra Tag** (two tags per person per year; cannot be used with a controlled hunt permit)
- **Special Unit Tags** (three tags per person per year)

Two turkey tags—one general and one extra tag—may be purchased for the spring turkey season before May 26. Special Unit Tags may be purchased at any time.

A hunter may use the general tag to hunt in any spring general season or use the general tag with a controlled hunt permit to

hunt in a controlled hunt. A second spring bird may be taken with an extra turkey tag. If the general tag is not filled during the spring hunt, then that unused tag can be used in a fall general or fall controlled hunt.

Spring and fall controlled hunt permits are valid only for specific areas and seasons as designated by hunt number, see pages 22-25. A turkey hunter **must** have a controlled hunt permit **and** a general tag to hunt in a spring or fall controlled hunt. A turkey hunter may only harvest one bird per controlled hunt permit. An extra tag may not be used with a controlled hunt permit.

A special unit tag may be used during general fall seasons in Units 1, 2, 3 and 5. A special unit tag is also valid for any designated turkey depredation hunt, see page 27.

Controlled Hunts

See pages 22-25 for the list of hunts and page 26 for the controlled hunt worksheet.

- Only one application per person or group will be accepted. Additional applications will result in all applications being declared ineligible. For example, if John Smith submits a controlled hunt application for turkey, and then Bob Smith submits a group application for himself and John Smith, both applications for John will be declared ineligible as well as Bob's application.
- Each applicant for controlled hunts must submit a \$6.25 (\$14.75 for nonresidents) nonrefundable application fee with their application.
- A single payment (either cashier's check, money order, certified or personal check) may be submitted to cover fees for all applications in the same envelope. If a check or money order is insufficient to cover the fees, all applications will be voided.
- During the application period, Visa, MasterCard and Discover cards may be used to make telephone applications or online through Fish and Game's website. Those using the credit card system will pay a processing fee (Phone: three percent plus \$5.50; Online: three percent plus \$3.50) in addition to the nonrefundable application fee. To apply by credit card, dial 1-800-554-8685, 24-hours a day, or use the Fish and Game website.

Group Application is defined as two hunters applying for the same controlled hunt on the same application.

Refunds Of Controlled Hunt Fee: Hunting license fees will **not** be refunded to unsuccessful applicants. Application fees for controlled hunts are not refundable.

Second Choice Drawing: Single or group applications which are not drawn for the first choice hunt will automatically be entered into a second choice drawing provided the second choice hunt applied for has not been filled.

Notification: It is the applicant's responsibility to find out if they were successful in the controlled hunt drawing. Results for spring seasons will be available by March 20 on the Fish and Game website. Fish and Game will mail a postcard notification to all successful applicants by March 20. Results for fall seasons will be available by July 10.

Nonresident Permit Limitations: No more than 10 percent of controlled hunt permits may be issued to nonresidents.

Unfilled (Leftover) Controlled Hunt Permits: Any spring controlled hunt permits for turkey that remain unsold after controlled hunt drawings, may be sold on a first-come, first-served basis on or after April 1. Unsold fall controlled hunt permits will go on sale July 15 at 10:00AM MDT. Hunters 65 years of age or older or hunters with a senior combination hunting license or a disabled hunting license may apply for first-come, first-served leftover youth-only controlled hunt permits. Controlled hunt permits will be issued to successful applicants. The 10 percent nonresident limitation shall not apply.

Tag Transfer to Child or Grandchild: A holder of a controlled hunt tag for turkey or big game may transfer that tag to his or her resident minor child or grandchild under the age of 18 who is otherwise qualified to participate in the hunt. The child or grandchild may be designated only one controlled hunt tag per species per calendar year. The transfer must be made before the opening date of the hunt. Resident adults can only transfer tags to resident youth; Nonresident adults can only transfer tags to nonresident youth. For more information and a form to designate the tag, please contact your nearest Fish and Game office or visit the licensing section of Fish and Game's website.

- With lead shot exceeding BB size or steel shot exceeding T size.
- By use of dogs, except during fall hunts.
- Also see pages 16 and 43.

- To validate the tag, the hunter must cut out and completely remove two triangles on the border of the tag, one for the month and one for the day of the kill.
- The tag must remain attached as long as the turkey is in transit or storage.

Hunters must completely remove two notches indicating month and day of kill.

- **Extra tag** is valid for spring general hunt seasons and may be used during fall general seasons. Cannot be used with a controlled hunt permit. Two tags per person per year.
- **Special unit tag** is valid for the fall season in Units 1, 2, 3 or 5. The special unit tag is also valid for any designated depredation hunt during the calendar year, see page 27.

Two turkey tags—one general tag and one extra tag—may be purchased for the spring turkey season before May 26.

Species Identification

The beard or leg of wild turkey must be left naturally attached to the carcass while being transported.

Shooting Hours

Shooting hours are from one-half hour before sunrise to sunset.

IDAHO'S TRESPASS LAW *Know Before You Go!*

No person may enter private land to hunt, fish, trap or retrieve game without permission if the land is

- Cultivated
- OR Posted with signs where a public road enters and leaves property through or along which the public has a right-of-way,
- OR Posted with "No Trespassing" or similar signage every 660 feet (1/8th mile) or at all reasonable access points,
- OR Posted with 100 square inches of high visibility orange paint every 660 feet or all reasonable access points,
- OR Posted with high visibility orange paint on the top 18 inches of a metal fence post every 660 feet or all reasonable access points.

Conviction of trespass on posted private property carries a mandatory one-year revocation of hunting/fishing/trapping licenses.

Federal law prohibits unauthorized trespass on Indian-owned reservation lands for hunting, fishing, or trapping purposes.

It is illegal for anyone to post public land that is not held under an exclusive control lease.

Refer to Idaho Code 36-1603

<https://legislature.idaho.gov/statutesrules/idstat/Title36/>

Shaded areas indicate general wild turkey distribution in the primary units open to wild turkey hunting.

Wild turkeys are not native to Idaho; but were first transplanted here in 1961. Since then, more than 150 translocation efforts have been conducted statewide.

Three turkey subspecies have been introduced to Idaho. More than 90 percent are the Merriam's wild turkey (*Meleagris gallopavo merriami*). Others are the Rio Grande wild turkey (*M.g. intermedia*), and the Eastern wild turkey (*M.g. silvestris*).

The Merriam's wild turkey was the first subspecies introduced to Idaho, and it has been by far the most successful. This bird is widely distributed in the mountains of the Panhandle, Clearwater, and Southwest regions.

The Rio Grande wild turkey was first introduced to Idaho in 1982. This subspecies is present in small numbers in riparian areas adjacent to the Snake, Boise, Payette, and Weiser rivers.

The Eastern wild turkey has been introduced to a few sites near Dworshak Reservoir, and some birds may still be found there.

Hybrids occur in many areas of the state.

TURKEY DEPREDATION HUNT SIGN UP

Special hunts (not listed in these rules) are sometimes used to relieve game damage problems. If these hunts are needed, they will be held on short notice, involve small areas, and be limited to a few hunters.

How Can I Participate?

If you are an Idaho resident, with a valid hunting or combination license, fill out the form on this page and mail it to the regional office in the area(s) you are willing to hunt. (You may photocopy this form if necessary.) All applications received from May 1 to June 30 will be placed in random order. All applications received after June 30 will be placed at the end of the list in the order received. The list will be valid from July 1 to the following June 30.

What Are My Chances of Drawing A Depredation Permit?

Most regions issue only a few depredation permits each year.

Special Unit Tags

A Special Unit Tag is valid for the fall season in Units 1, 2, 3 or 5. The Special Unit Tag is also valid for any designated depredation hunt during the calendar year.

Remember...

Send only 1 application per species. Hunters may apply only once per species per year. Applying for the same species in more than one region will result in disqualification from all regions. Hunters may apply for different species in regions. Please contact a regional office for questions.

TURKEY HUNTING SAFETY AND ETHICS

Turkey Depredation

© George Fischer

Safety

1. Positively identify your target.
2. Assume every noise and movement is another hunter.
3. Never stalk a turkey or turkey sound.
4. Don't wear red, white, or blue.
5. Protect your back.
6. Shout "Stop" to alert approaching hunters.
7. Make your position known to other hunters.
8. Preselect a zone of fire.
9. Choose safe, ethical hunting companions.
10. Practice courtesy and self-control at all times.

Ethics

All ethical wild turkey hunters support a series of rules that make wild turkey hunting the quality experience it can be. Following these rules will not only help maintain healthy flocks of wild turkeys in Idaho, but will also add to the challenge and excitement that is wild turkey hunting.

- Ask first to hunt on private land.
- Do not disturb nesting hen turkeys or their nests.
- Though it is legal (during legal hours) to shoot a tom out of a roost tree, this practice is unacceptable among most hunters.
- If you hear another hunter calling a bird, allow that hunter to continue undisturbed and leave the area.
