Permit Validation: When a pheasant is reduced to possession, the hunter must immediately:

- validate their permit by entering the harvest date and location in non-erasable ink,
- and remove a notch from the permit for each pheasant taken.

NOTE: All upland game bird/animal hunters are required to wear visible hunter orange (minimum size 36 square inches) above the waist during pheasant season when hunting on WMAs where pheasants are stocked. A hunter orange hat meets this requirement.
