

BEFORE THE IDAHO FISH AND GAME COMMISSION

**IN THE MATTER OF THE SETTING OF
SUPER HUNT AND SUPER HUNT COMBO
APPLICATION FEES**

)
) **ORDER NO. 22-65**
)

Under IDAPA 13.01.08.261.04, the fees for applications for the “Super Hunt” and “Super Hunt Combo” Special Controlled Hunt Program are the same as controlled hunt application fees set in Section 36-416 unless the Commission discounts these fees pursuant to its authority under Idaho Code 36-415. Funds from this program are used to support a sportsman access program.

In 2015, the Commission adopted a uniform, discounted fee for each Special Controlled Hunt application, incorporating the vendor issuance fee, upon a finding of public need to optimize revenue from application fees for the Special Controlled Hunt Program. In 2020, following review of the effect of this discount on program revenues and participation, the Commission ordered continuation of the uniform discounted fee through the 2022 drawings.

At its November 15, 2022 meeting, the Commission reviewed information regarding the effect of the continued discount on program revenues and participation, and determined that a uniform, discounted fee has been beneficial for program revenue. The Commission determined that is appropriate to align the timeframe for this discount with its “Price Lock” discount (Commission Order No. 22-20, dated January 27, 2022).

Pursuant to its authority under Idaho Code Section 36-415, upon a finding of public need to optimize revenue from application fees for the Special Controlled Hunt Program, the Commission voted at its November 2022 meeting to continue a uniform, discounted fee for each Special Controlled Hunt application, incorporating the vendor issuance fee, for sales for 2023 and 2024, 2025, 2026, and 2027 Special Controlled Hunt drawings.

ORDER

THE COMMISSION HEREBY ORDERS:

1. The fee for each 2023 through 2027 “Super Hunt” Special Controlled Hunt application be set at \$6.00, including the vendor issuance fee; and
2. The fee for each 2023 through 2027 “Super Hunt Combo” Special Controlled Hunt application be set at \$20.00, including vendor issuance fees.

This order is effective from August 11, 2022 through December 31, 2027, for each application for the “Super Hunt” and “Super Hunt Combo” Special Controlled Hunts.

DATED this day of November, 2022.
